REPORT DEFINES FINANCIAL DILEMMA

Antioch can no longer expect real estate growth to pick up the slack between the cost of education and the tax monies

realized on a 96 cent tax rate. Jack Smith, business manager for Antioch Community High School, has released a

study which shed some light on the financial plight of the school. In the past, Antioch has been able to maintain its

outstanding educational program despite the lowest tax rate allowed by law because the normal rise in assessed valuation tended to keep pace with student growth. This "Bonus", apparently, has dried up.

According to Smith's report Antioch High School's percentage increase in assessed valuation, the figure upon which the school realizes its tax income, rose only 1.19 percent in the 1971 levy year. This was the year in which the state multiplier was to create a more realistic evaluation of property for the tax roles. In the same year the percentage increase in numbers of students attending the school rose over three percent. Prior to 1971, the lowest percentage increase in assessed valuation was 1.44 in 1960.

One problem resulting from the more rapid growth of students as compared to the decline in revenue potential is in the ratio of number of teachers to numbers of students. After achieving an enviable record of one teacher for every 19 students in 1969,

Continued on Page 7

DON'T FOOL WITH MOTHER NATURE

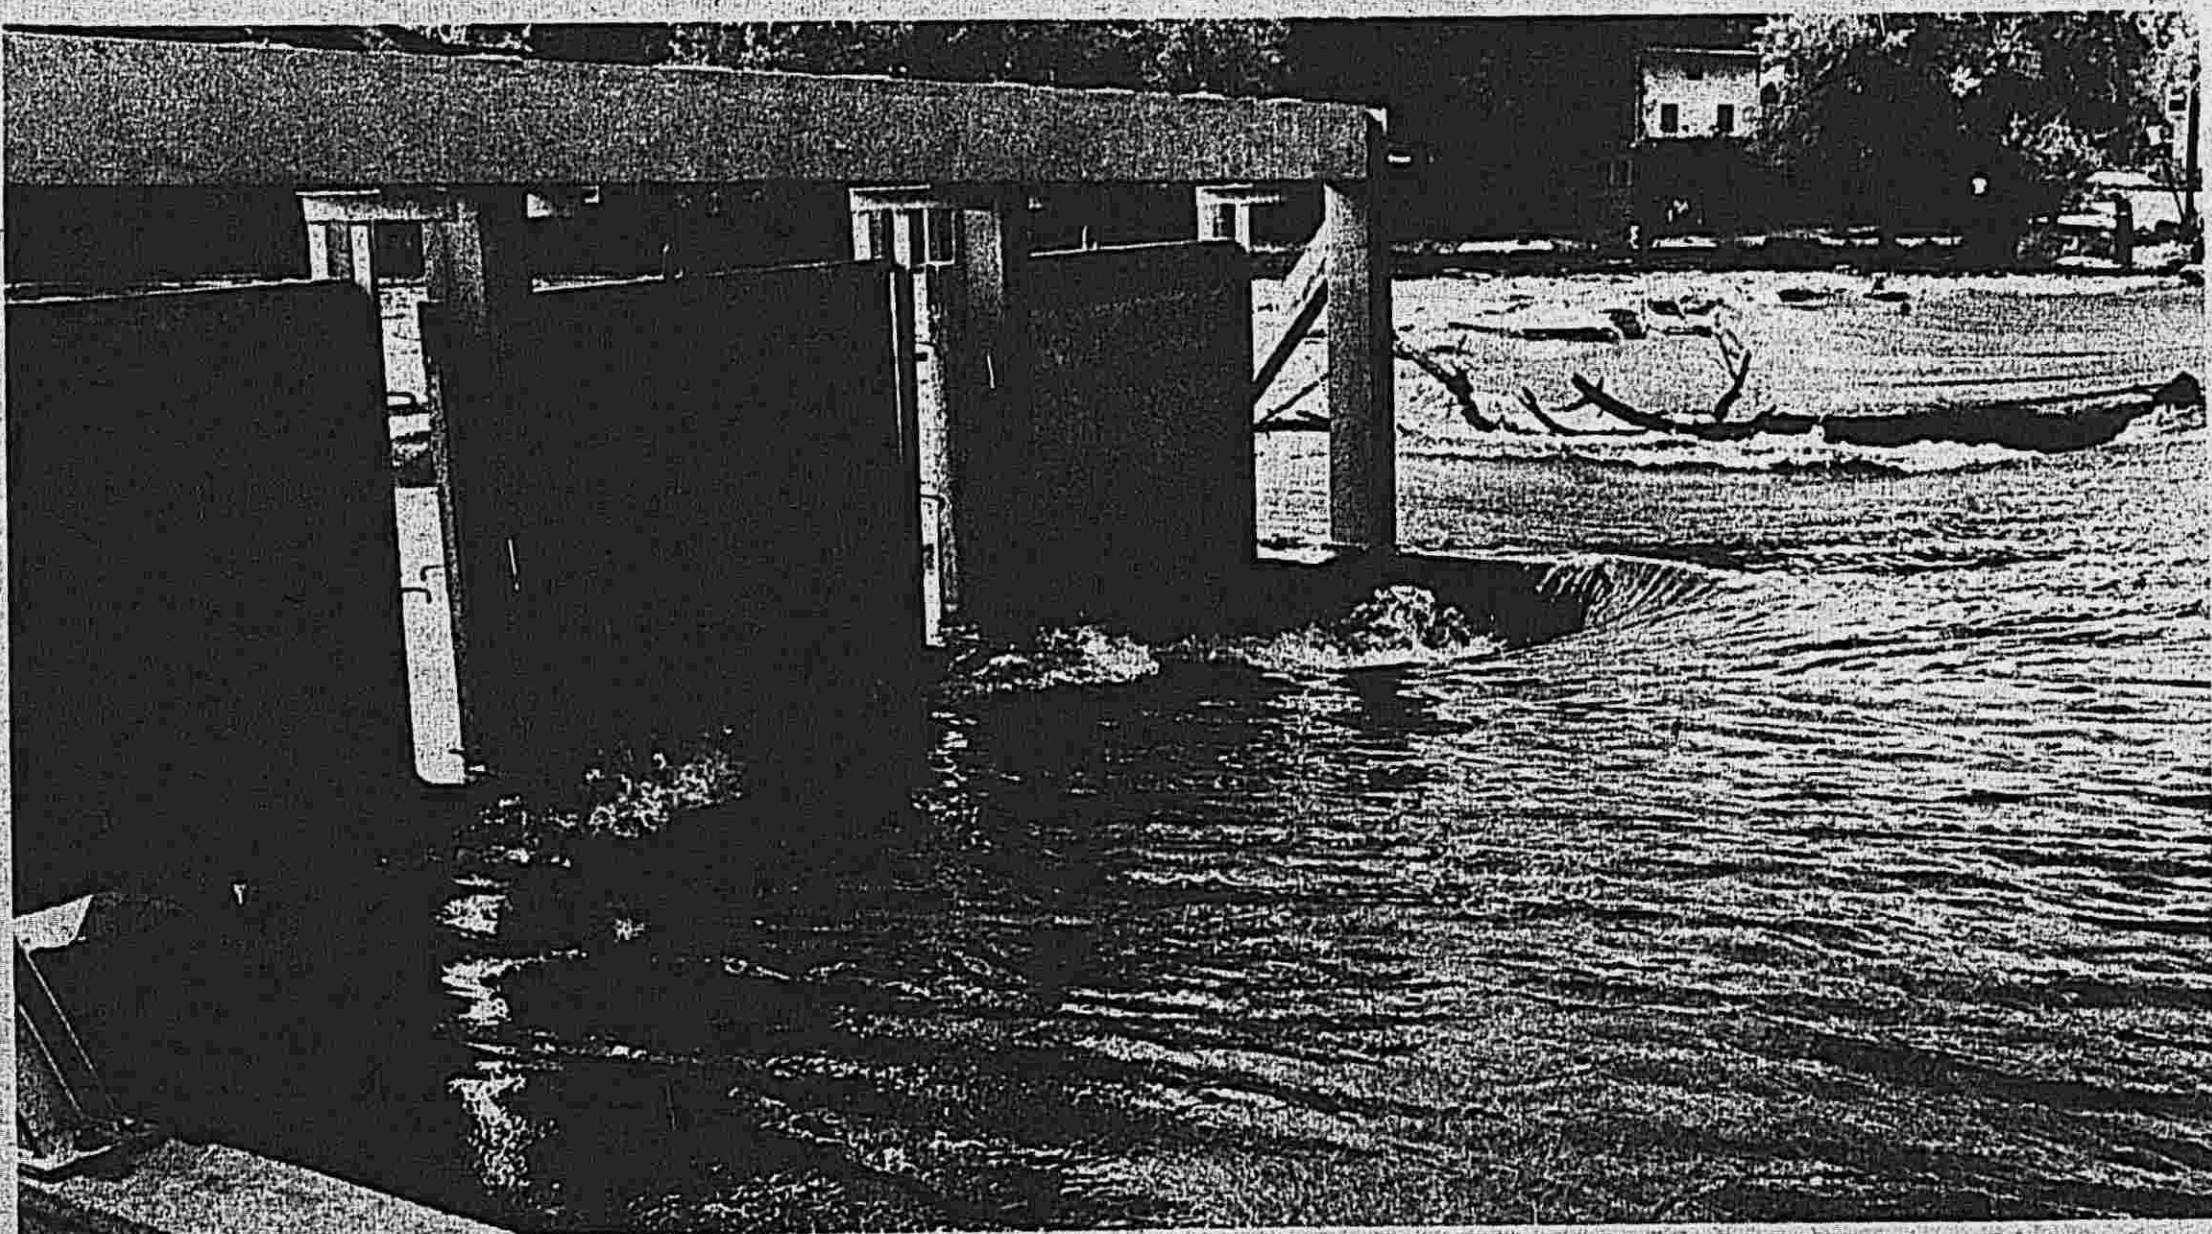

This shows part of Smith's Resort dock area, and just how high the water is in the Lakes area.

If there is one rule of nature that seems to be dramatically proven true this Fall, it is the one that says, "Water has to go somewhere!" With record rainfall levels already established and the threat of continuing rains it would seem that there is no longer any place for the water to go - except into basements, across roads and into any other low level area which seems handy.

"It will take an awfully long time to straighten out the roads," lamented Blaine Ring, Antioch Township Road Commissioner. "We have a situation

Look No Dam! This is the Wilmot Dam, or at least a foot or two under the high water there is a dam. On the left are the Dam gates which are as high as they can go.

ANTIOCH RESCUE SQUAD SPONSORS FIRST AID CLASSES

The Antioch Rescue Squad will sponsor a Red Cross Approved Standard First Aid Class starting on Thursday, October 5, at 7:30 p.m. at the Antioch Rescue Squad Building. No pre-registration is necessary. Persons desiring further information may call the Rescue Squad building phone no. 395-2141.

The Rescue Squad committee also stated that if enough interest is shown - an advanced course will follow.

SURVEY

All too often the average man is not consulted when the important issues of the day are decided. Invariably he has little to say in the workings of government.

But now, the average man has recourse. Through the following questionnaire you can make your feelings known to those whom you will elect.

The aim of this survey, then is twofold. First of course to indicate the preference of voters in key races. Second, to make a sounding of the issues that are most in the minds of the electorate and possible policies to be implemented.

We encourage anyone having additional viewpoints to jot them down on a separate sheet of paper. However, you need not expose your voting preferences. Signatures are not mandatory.

1. Whom do you prefer for president?

- ☐ Nixon
- ☐ McGovern
- ☐ other

2. Whom do you prefer for U.S. Senator ?

- ☐ Percy
- ☐ Pucinski
- ☐ Other

3. Whom do you prefer for governor?

- ☐ Ogilvie
- ☐ Walker
- ☐ other

4. Rank in order of importance the most serious issues facing the nation.

- ☐ inflation
- ☐ Viet Nam
- ☐ welfare reform
- ☐ crime and drug abuse
- ☐ school bussing to achieve racial balance

5. Are you in accord with reforms instituted at both political conventions?

- ☐ Yes
 - ☐ No
- (if you feel the need to qualify your answer, please use separate sheet)

6. Based on information you have gathered, do you think the current administration has effectively controlled inflation and stabilized the economy?

- ☐ Yes
- ☐ No

7. Which do you prefer:

- ☐ increased
 - ☐ decreased
 - ☐ existing
- spending for national defense?

8. Which policy regarding the Viet Nam POW's do you feel most likely to succeed?

- ☐ Require the return of POW's prior to withdrawal
- ☐ Withdraw first as a condition for the release of POW's
- ☐ Other

Please cut out and return to:

FATHER HENDERSON MEMORIAL DEADLINE

October 1 will be the last day for the memorial drive for Father Henderson.

This fund was started shortly after Father's death, and all contributions will go to pay for the main altar to be installed in St. Peter's church.

Send your contributions as soon as possible, so a list of donors can be composed.

Checks can be made out to "Father Henderson Memorial Fund" and sent to St. Peter's church, 557 Lake St., Antioch, Ill.

HELP (WHEREVER YOU ARE)

On Saturday, September 23, a very nice person found me after I got lost from my master. This nice person, who could not find my master then took me to the Antioch Police Station, where they were also very nice to me. After a time I had to be put into the dog pound.

Now, I am a very small, tan, dog and my name is "Candy". I know this because I am wearing a rhinestone studded collar with my name on it.

Please, Master, all you have to do is to call the Antioch Police Station and find out how to get me back home. I MISS YOU - HURRY!!!

HEAD-ON CRASH SENDS SEVEN TO HOSPITAL

A head-on collision, just south of Grass Lake Road on Route 83, between a car driven by John Dimes, of Round Lake, and the other by Rita Hattendorf, of Mundelein resulted in 7 persons being taken to Victory Memorial Hospital. Two of the 7 were admitted to the intensive care ward. They were Tim Hattendorf and Lonnie Christensen.

The accident happened about

9:30 p.m. on Friday evening, September 22. The car driven by Mr. Dimes was going North on 83 and Mrs. Hattendorf was going South when the accident occurred. The Lake County Sheriff's deputies did not give out details as to how and why the accident occurred.

Both the Antioch and Lake Villa Rescue Squads were on hand as well as the Antioch Fire Department.

DOLLAR, DOLLAR, WHOSE GOT THE DOLLAR?

For a year or more the people of the Antioch area have been playing a Game. It's a very deadly Game because it affects the lives of people who have no chance to defend themselves.

The Game is called "Pass the Referendum."

The contestants in this diabolical little passtime are the Educational system on one side (school boards, administrators, teachers and staff), and on the other side the General Tax Paying Public. Somehow the Students seem to have been relegated to a position in the stands. So far the General Tax Paying Public team is winning in what appears to be a rout. True, neither side plays the game fairly; there are spies, league jumpers and game throwers on both teams. But all in all, an exciting game. The Spectators, caught up in the excitement generated by Cheerleaders from both sides, cannot quite understand why they're the ones who come out feeling they're the losers. However, since both sides seem to be enjoying themselves so much, the Spectators continue to watch the game, quiet and confused, from the sidelines. Occasionally, a braver than normal Spectator tries to join the game, but is soon driven to the safety of the bench, grateful to have escaped with his life.

Where and when will The Game end? No one seems to know because the rules for The Game are not too clearly spelled out. The Educational Team seems capable of mounting an unending offense, but the General Tax Paying Team has a defense which is seemingly impenetrable. Maybe what The Game needs is a set of Officials who know what they're doing.

If The Game cannot be played to a satisfactory conclusion in the second wealthiest county in the State of Illinois then maybe something is wrong with the rules or the way in which they are being interpreted rather than with The Game itself or with the way the teams are playing.

There is a group of six Officials who will soon be having their credentials reviewed. Let's take the questions to them and see if they have any suggestions for playing The Game more fairly. Who are they? The six men who would like to be elected to the Illinois General Assembly from the 32nd District.

OUR CONGRESSMAN

CONGRESS APPROVES McCLORY JURY SELECTION BILL

The United States Senate joined the House of Representatives on Monday afternoon in giving final approval to a civil rights measure sponsored by Congressman Robert McClory. The bill now goes to the President for his signature.

Congressman McClory's bill is designed to eliminate discrimination in the selection of grand and petit juries in the Federal Court System insofar as elements of race or color are concerned. The bill requires that all prospective Federal jurors to whom juror qualification forms are sent to respond to questions regarding race and occupation. Under present law, such listing is optional.

The measure was passed after a research project, undertaken at Congressman McClory's request, made clear that if nondiscrimination is to be effectively monitored and enforced, it is essential to have complete information on the racial composition of the persons considered for and serving on juries.

Passage of the bill culminates a four-year effort by the Illinois 12th District Congressman to enact this anti-discrimination measure. The legislation was supported by the Department of Justice, the Administrative Conference of the U. S. Courts, and the Civil Rights Commission.

SUPPORTS SCHOOL AID BILL

Congressman Robert McClory was among the Members of the U. S. House of Representatives supporting the appropriation bill for the Department of Health, Education and Welfare which provides \$26 billion dollars for the largest Executive Department. Included in the bill is almost \$2 billion in funds for Elementary and Secondary Education for the current school year. Among the appropriations are some \$600 million for impacted school aid, from which the Congressman's Congressional District benefits substantially. Also included are general public school assistance, library services, education of the handicapped, and other school programs. Congressman McClory also favored funds for bilingual education to assist the many students in the 12th Congressional District who come from Spanish-speaking families.

Letters to the Editor on any current issues are welcome. Only letters with names can be considered for this column. Signatures will be withheld on request. Letters cannot be returned and are subject to minor editing.

ONE BLOCK OFF BROADWAY

One of the most successful community theatre groups in Northeastern Illinois is Palette, Masque and Lyre, Inc., of Antioch.

PM & L was organized as a non-profit corporation some eleven years ago to promote the fine and performing arts in the Antioch Community. The group's name is derived from the three major areas of the arts: "Palette" to represent painting and sculpture, "Masque" for drama and "Lyre" for music.

However, drama has been the point of major emphasis for the

group primarily because it is the one area of the arts which promises any hint of a fairly steady income. Art finds its way into the program through art displays by local artists in the theatre lobby during the run of a show. Music appears as an essential part of the musical comedies and dramas. PM & L hopes someday to provide concerts and art exhibits as important events in their own right and not merely as an adjunct to the drama programs.

During the early years, through sponsorship of shows, dinner-theatre parties, benefit

performances and other means, PM & L helped raise money for many other community organizations. However, in 1963 the group took over the old Lakes Theatre on the North edge of the downtown area of Antioch and has had to turn most of its energies and finances to maintaining and improving the building. Except for one season in the Antioch Country Club the group has made the old theatre its home.

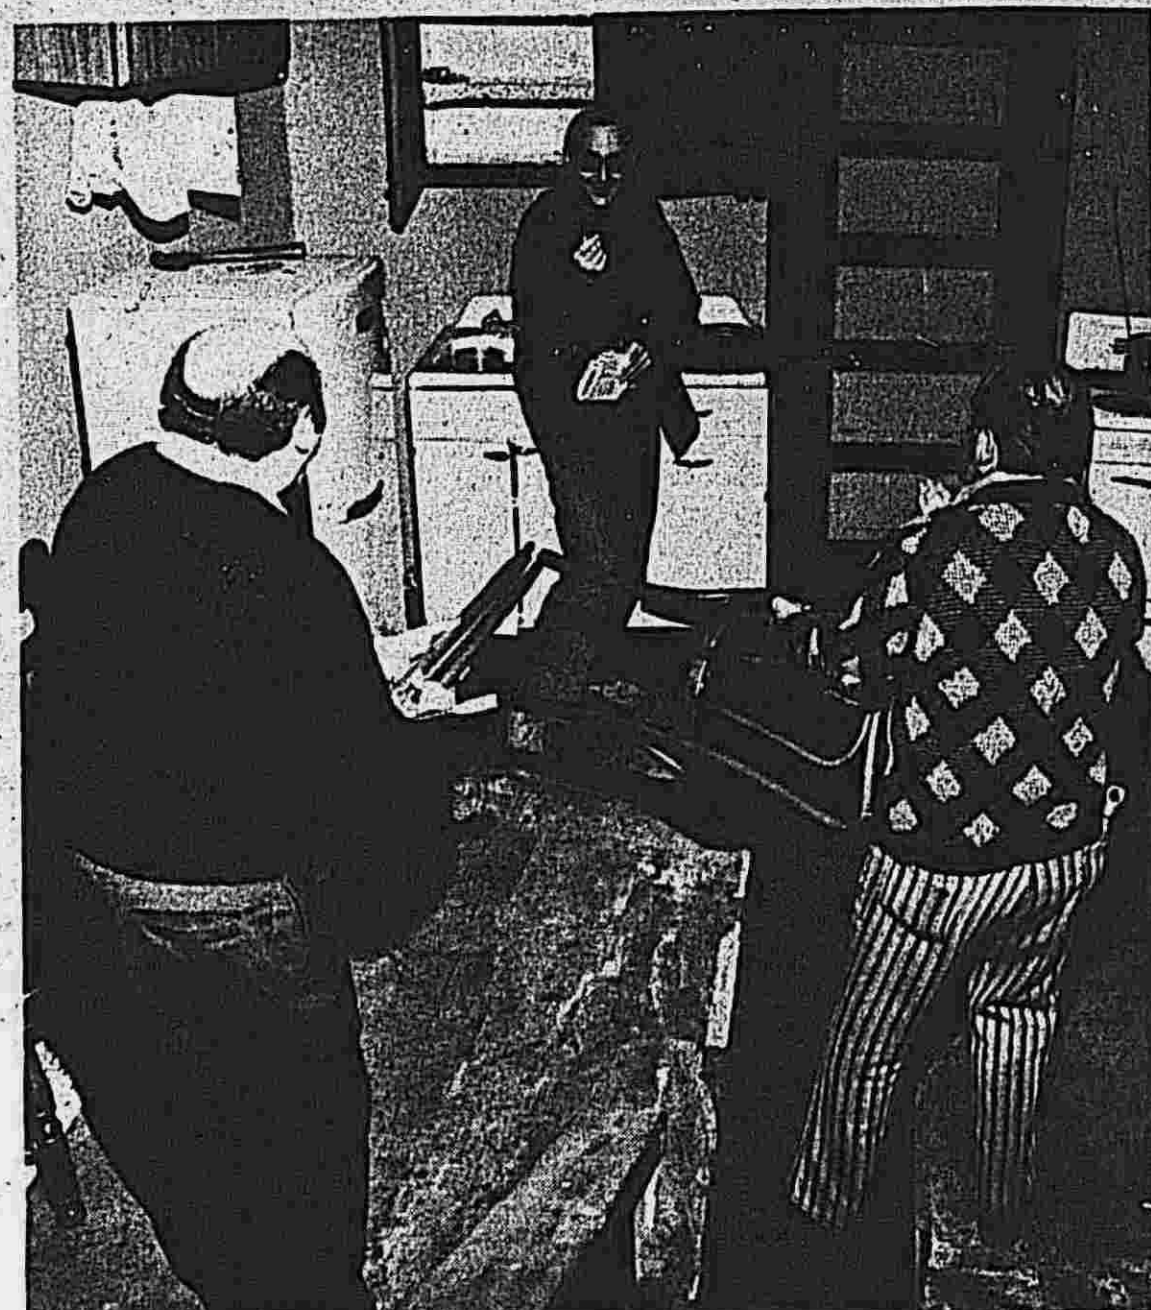

The active membership in PM & L averages 60 - 70 persons even though there is no membership requirement for participation in the shows. The group numbers among its members teachers, housewives, doctors, business executives, merchants, mailmen, students, bankers and business men - it seems no one is immune to the "smell of the grease paint and the roar of the crowd."

Starting with one show in its opening season, PM & L has, more recently, been averaging six shows a year: four regular season shows, a children's show at Christmas time and a summer musical. With the addition of the "Young Peoples' Theatre" the average could reach ten or eleven shows a year. All in all, PM & L has brought 39 regular comedies or dramas, 13 musicals, eight children's shows, three reviews and two pageants to Antioch.

PM & L, Inc., enters Season 12 with the opening of Man of La Mancha in the early part of November. The Antioch News wishes the organization many more years of continued success.

GRASS LAKE SCHOOL ANNOUNCES NEW ADDITIONS

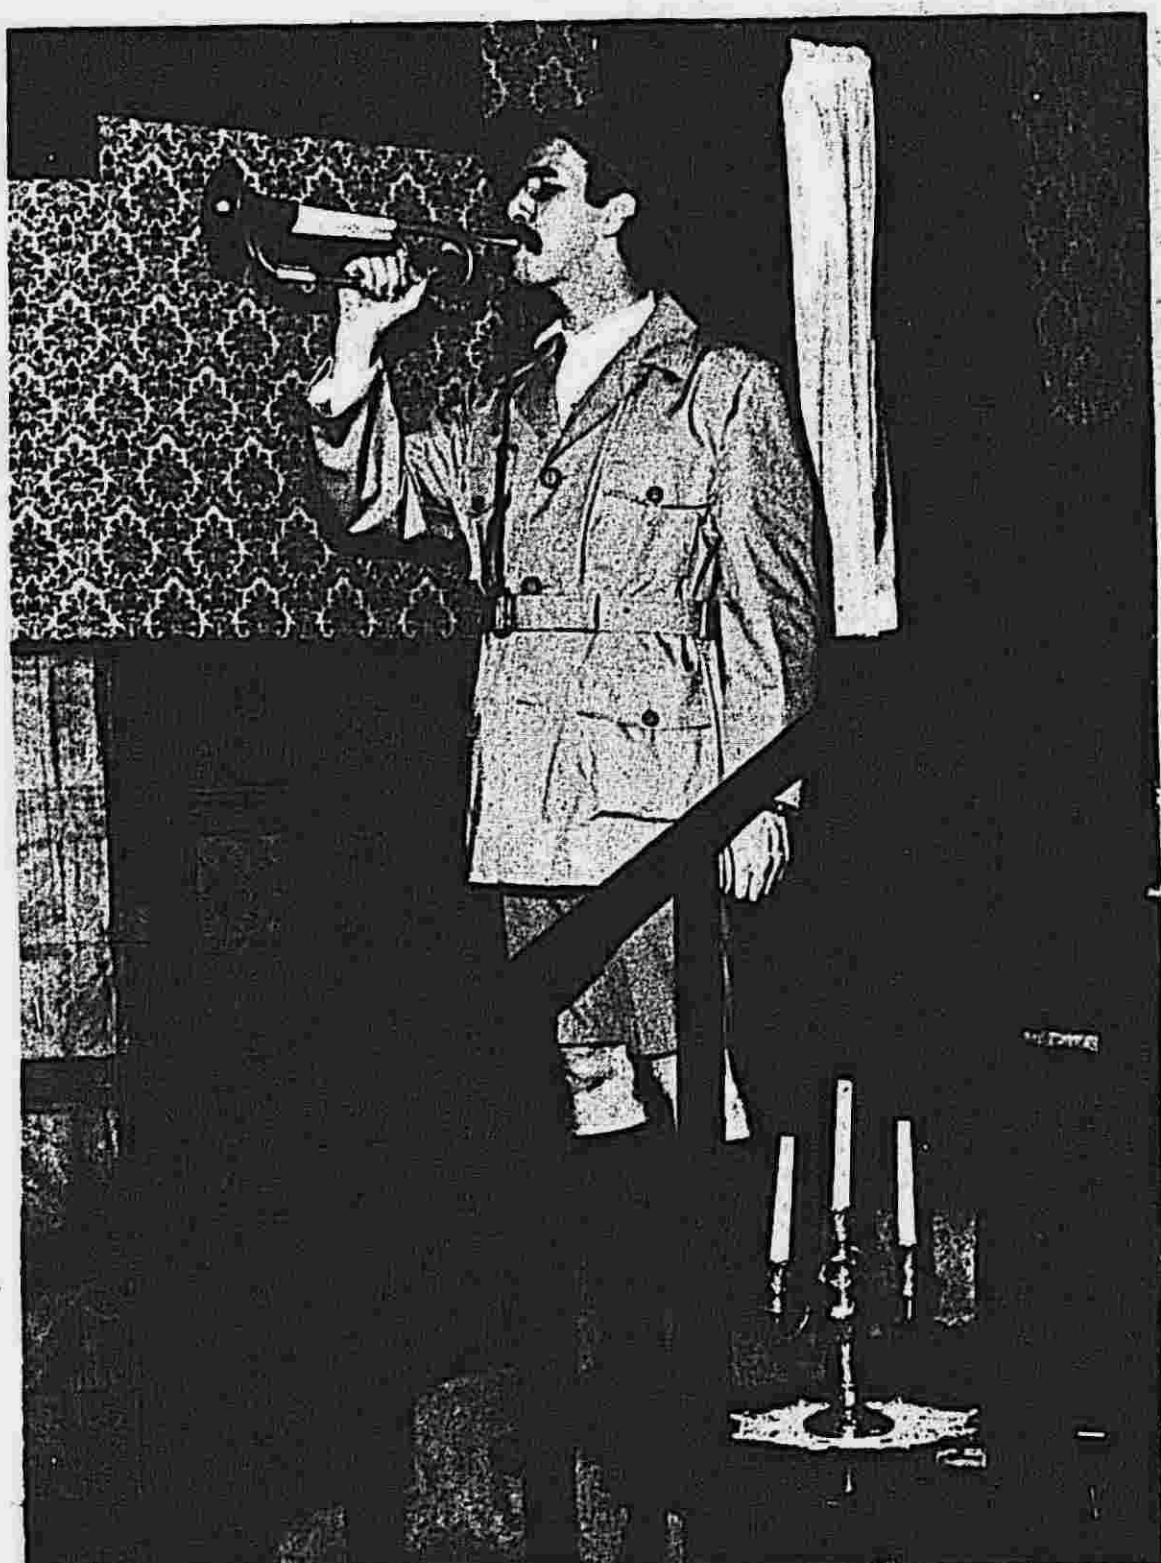

Supt. William Hart has announced new addition to the Grass Lake School Staff. Miss Judy Sellstrom, a graduate will teach 6th, 7th and 8th grade Language Arts. Mrs. Mary Gardino, a graduate of Western Illinois University in Macomb, Illinois, also will be teaching 6th, 7th, and 8th grade Language Arts. Mr. Robert Van Doran, a graduate of North Central College in Naperville, Ill., will teach Physical Education. Miss Frances Zagoras, a graduate of the University of Wisconsin, Whitewater, will be teaching 6th, 7th and 8th grade mathematics. Miss Pam Friedrich will teach 6th, 7th and 8th grade science and girls Physical Education. Miss Friedrich received her degree from Milikin University. Mrs. Lee An Dragan graduated from Indiana University in Pennsylvania and she will be the 2nd grade teacher. The Central Reading Program will be under the direction of Miss Kathleen Pope, a Quincy College graduate. Mrs. Ruth McKenzie will teach music in grades 1 - 8 for the coming school year. Mrs. Carol Whitton and Mrs. Barbara Davidson have been employed as teaches helpers at the 2nd and 5th grade level. Miss Carol Olander will be in charge of the school speech

Manny Silverstein, Don Beveroth and Tony Aird in another scene from a Season 11 production, Wait Until Dark.

Kim Shkapich and Jim Scribner as Nanny Coo and Olaf in the PM & L Young Peoples' Theatre production of The Frog Prince. The show will continue to delight children young and old for two more Sundays, October 1 and 8. curtain time is 7 p.m.

"Teddy" calls together his cabinet in a scene from PM & L's Season 11 production of Arsenic and Old Lace.

correction program. Hart reports that due to class size growth and vacancies of staff change over account for the new staff members.

At the September 11, 1972 board meeting it was reported that the Life Safety Code stairwell enclosure has been completed and in use. Also, on the agenda were resolutions for the levying of Working Cash,

Special Education, and Life Safety Code monies.

A public hearing on the 1972-73 Budget was held and the Budget and the Tax Levy were acted on by the Board of Education. Tax Levy for the 1972-73 year was \$165,000, \$45,000, and \$15,000 in the Education, Building and Transportation funds respectively.

HIGH SCHOOL ATHLETICS DECISION PENDING

A somewhat surprised school board discovered that it could conceivably be almost as expensive to drop an interscholastic sports program as to keep it. Ward Lear, Director of Athletics, presented a report to the Antioch Community High School Board regarding athletics for the 1973-74 school year. Lear outlined to the board the possible financial problems the school would face if the cancellation of any part of the interscholastic sports program were made too late for other member schools to adjust their programs.

Antioch High School is currently running a partially cut sports program as the result of its financial problems. Currently the school sponsors only varsity and sophomore football and basketball, and a shortened coaching staff for cross country, wrestling, baseball and golf. Due to the failure of the latest referendum the cutting of some or all of the remaining program has been considered a distinct possibility.

Under the rules of the Illinois High School Athletic Association the cut-off dates for the board of education to reach a decision on the future of the various athletic organizations are: cross country and football, November 15; basketball and wrestling, February 15, 1973; track, baseball and golf, May 30, 1973. If the decision to cancel a sport is made following the above dates the school is liable to a fine of \$25 levied by the association "in addition to the financial loss, which, in the judgement of the (IHSA) Board, is sustained by the offended school..." Mr. Lear estimated that the total financial responsibility for the late cancellation of the entire sports program could amount to approximately \$13,775 if the school was to be judged in breach of contract.

Lear's report offered three possible alternatives to the board:

1. Make a firm commitment no later than the regular October meeting to at least keep the sports program the school now has.
2. As each contract deadline passes keep that part of the program to which the school is then legally obligated, cancelling only the remaining sports in case of the failure of another referendum attempt.
3. Notify the conference now that there will be no program for 73-74. If a referendum should pass, athletics could be reinstated at that time.

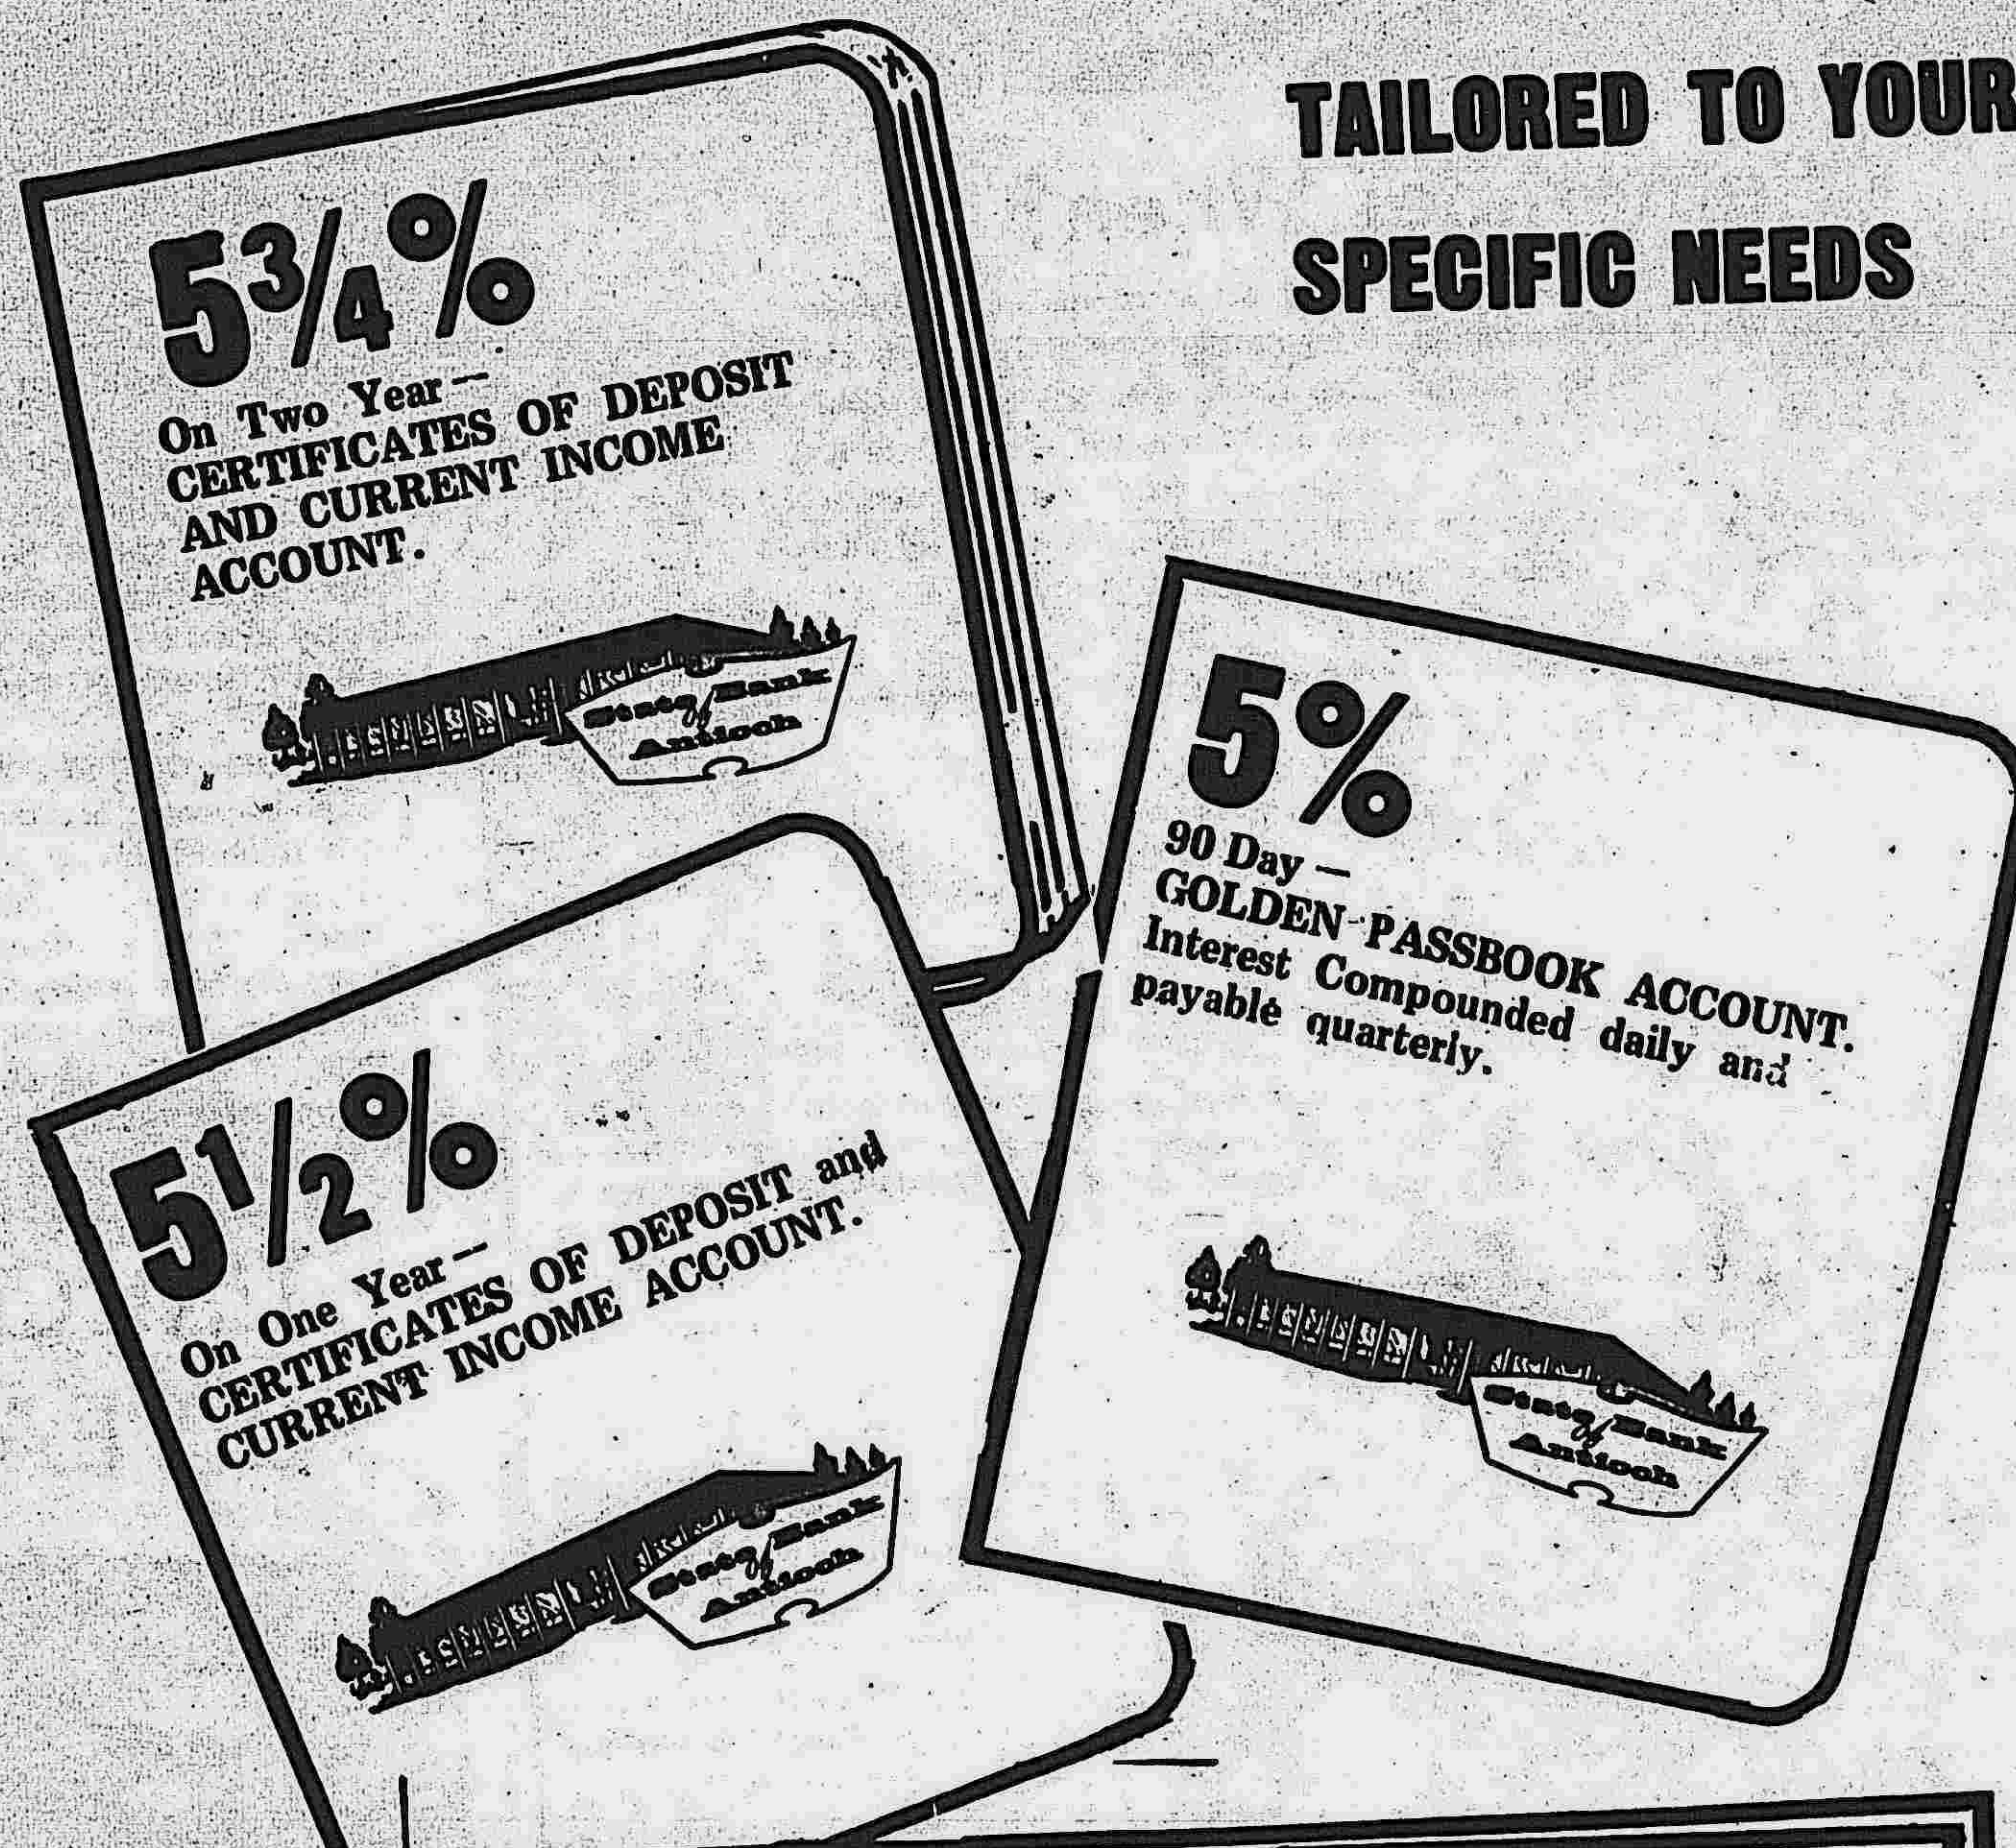

The report pointed out two probable dangers if the board should choose option three: "The other conference schools would replace our dates and we would have no conference schedule and, probably, little or no other schedule" even if a referendum should pass and the athletic program revived; or, "the conference might decide to drop Antioch from membership and fill the vacancy with another school..." leaving Antioch to "free lance" a schedule - a much more difficult and expensive situation.

1973-74 is the year that Antioch is scheduled to begin competition in the newly created Northeastern Illinois Suburban Association.

The board agreed to study the report further and to take action in October.

"TORK" TALKS

COMPUTER SERVICE

by: "Tork" Torkleson

According to "Tork" of Lyons-Ryan Ford-Mercury in Antioch, Ford has put 18 million cars and trucks in a drawer and the result is better service for the company's customers.

"To expedite warranty service for Ford, Lincoln and Mercury customers," he said, "we're using a system called 'Computer-Output-Microfilm' (COM) to give us instant access to the complete service records of our customers' vehicles."

"We wanted to provide dealers with immediate responses on warranty claims; rather than wait sometimes days or weeks for mail and processing in Detroit," Tork said.

With the use of COM, he said, microfilm records can be created directly from computer tapes, reducing paperwork and permitting quick access to more information at lower cost.

"It's helped us to provide better and faster service," he stated, "since we are able to give a dealer a vehicle's complete history by telephone in a few minutes."

Ford, which installed its first large-scale computer in 1955, now has approximately 240 computers in operation in the United States and about 70 in other countries. The scope of computer applications extends into virtually every aspect of the company's worldwide operations from research to product development.

Tim O'Connell will be 90 on Thursday, September 28, 1972. Mr. and Mrs. Myrus Nelson, 1054 Victoria Street, Antioch, are having an open house in his honor from 2 to 7 p.m. Tim plans to return from his trip to his home town, Cork,

Ireland, on September 26th. His last comment before leaving the states on September 2nd was "I'll be home for my birthday because this is the first party I've ever had."

Tim is still employed daily at Reeves Drug Store in Antioch.

NEW TERESI CHEV - OLDS BUILDING BEGUN

To the right is an artists drawing of the new Teresi Chevrolet and Oldsmobile Dealership. The building which will be under co-ownership by Mr. John Teresi and Mr. Raymond Scarpelli will contain 33,000 square feet and will be done in mediterranean style. Located on 7 acres of land just east of town on Highway 173, it will be landscaped in a desert motif. Within the building itself we will find the most up-to-date methods and materials for the

customers. With 82 percent of the building area for customer service you will find a customer lounge, with color TV and a ring side seat for watching the progress of your car, also the car rental department will be expanded, larger and more complete heavy duty truck repairs, a modern body shop, an automatic car wash for customers and a new family center for campers. The target date for completion is early February, 1973. (Staff Photo)

FINANCIAL DILEMMA DEFINED CONT.

the pupil-teacher ratio rapidly deteriorated to one teacher for every 26 pupils in the current year. This places Antioch High in the unenviable position, according to Smith, "of having the poorest pupil-teacher ratio in Lake County." The best ratio in the area has been established by Adlai E. Stevenson High School with a ratio of one teacher for every 15 students. Grant and Grayslake High Schools both boast of one teacher for every 18 students.

A further problem is created by the financial drain of 1.1158 percent of taxes which the County Collector retains as a fee for collecting the taxes.

The only answer locally to this financial dilemma, according to Smith, is to either pass a referendum to raise the education tax rate or to continue to cut back the school program. There is a limit to how far the board of education can cut the program since so much of what the school offers is determined by law. Due to currently established cut-backs the high school now offers fewer opportunities to the average student than it did during its formative years in the twenties and thirties - particularly in the areas of general activities and sports.

HIGH SCHOOL BOARD TO ASSIST IN UNIT DISTRICT STUDY

The Antioch Community High School Board of Education has agreed to join in a study to determine the feasibility of establishing a Unit District. Betty Meyer, member of the board, was chosen to serve on the committee. The board acted in response to a request from Mr. Henry Meyer, superintendent of the Antioch Consolidated Grade School.

The board heard reports on two real estate developments: Thunder Bay, a development of townhouses, condominiums and rental apartments to be located in the Lindenhurst area, and the potential development of a similar project on the Curnes property in Antioch. A committee appointed by Ted Flanagan, Mayor of Lindenhurst, has made an exhaustive study of the impact which the Thunder Bay project will have on the schools in the area. In essence, the report points out that the demands such a project will place on the school districts affected will create serious shortages of teachers and classrooms and, due to the normal lag in collecting taxes on newly improved property, an even more serious shortage of tax money to help offset the costs of correcting the shortages.

The Lindenhurst Study also points out discrepancies in the number of students such a project will generate. The study indicates that the estimates provided by the developer tend to be low.

"The Thunder Bay development will cost the area school districts over \$2,800,000 in necessary expansion of present facilities," the report stated. Further, "There will also be a one-time increase in operational expenses of almost

\$500,000 with no off-setting tax income."

The board expressed great appreciation to the Village of Lindenhurst for its excellent study and agreed to examine the report at greater length. Including Thunder Bay and the Curnes development, Antioch Community High School is currently faced with the possibility of four such developments within its jurisdiction.

In other business the board established new guidelines in the area of student discipline and passed on four internal publications: "The Curriculum Guide and Student Handbook," "Teachers' Manual," "Board Policy - Rules and Regulations Manual," and "The Administrative Staff Manual."

Since Veteran's Day was changed by law from Monday, October 23 back to Saturday, November 11, its original date, the board approved a proposal to make October 23 a day of attendance and shorten the school year by one day, from June 8, to June 7, 1973.

In order to retain its tight rein on expenditures, the board declared a moratorium on all teacher travel and conventions for one year.

As the result of a special request to continue the popular art course in Adult evening school the board expressed regret but felt that it would be a breach of policy to allow the course to be taught. In effect, the board reaffirmed its position that there would be no night school for a least one year.

Approval was given for the school to continue to participate in various Federal-State programs.

The board also approved the hiring of three new bus drivers and one cleaning matron as replacements.

Holding the shovels are co-owners John Teresi and Ray Scarpelli as they prepare to break ground for the new home of John Teresi Chevrolet and Oldsmobile on Highway 173 in Antioch. Attending the ground breaking were members of the Antioch Village Board, the Teresi Sales Staff, various business and industrial leaders and representatives from General Motors. Standing between John and Ray is the building contractor.

Along the Way with *Annie Mae*

A group of about 15 couples from the "Pub" hired a bus and attended the White Sox game last Sunday. They enjoyed the game, and the trip.

What "local fireman" answered the Noon whistle last week??

Seems our paper inadvertently listed Frank Benes and Ron Vos as co-Owners of the new Four Squires. Not so, but they did do all the lovely carpentry work in the building.

Happy birthday to Frank Kuechenmeister on Sept. 28. Also Tim O'Connell celebrates 90 years on that date. Carl Amundsen is going to have a bowling party on the 29th to celebrate his special day. Happy birthday to Kim Watson on October 2.

Natalie Burdick celebrated her birthday (9-23) a day early on Friday September 22. She had a couple of girl friends for dinner and a show. Happy birthday "little gal".

Mr. and Mrs. Leif Larsen flew to Youngtown Arizona to honor his father with a surprise birthday party on his 70th birthday. Another son, Marvin and his wife, from Woodruff, Wisc., arrived at the same time.

The weather was beautiful and the elder Mr. Larsen was completely surprised by all the activities.

Mrs. Mel Stillson, and the Gutowski, Benes, Miller & Serwa families from Antioch journeyed to DeKalb Friday evening for the wedding of Robert Stillson. Bob is the son of Mel and Delores Stillson who reside in DeKalb.

Frank and Louise Johnson and family moved into their new home in Sunset Ridge on Antioch Lake this past weekend. Your old neighbors will miss you.

Wedding bells rang over the week-end also for Mark McKinney and Helen Zeien. Congratulations to you both.

Marian Prange was a busy gal this past weekend with in and out of town guests. Shari

(daughter) was home from NIU, DeKalb, and (son) Richard and his wife Dani and children, Michael, Jill and Stacey came in from Merrill Wisconsin along with Mrs. Dave Lindley (sister of Dani) from Desplaines. Nearby drop in visitors were: Mrs. Richard Prange's brother, Mr. Roger Strattan and his wife Marcia and children Bradley, Dana, and Todd of Trevor Wis. Mrs. Ruby Horton and children Jimmy and Mary of Antioch, Miss Kim Kirchmeyer of Antioch and Mr. Don Spice of Waukegan.

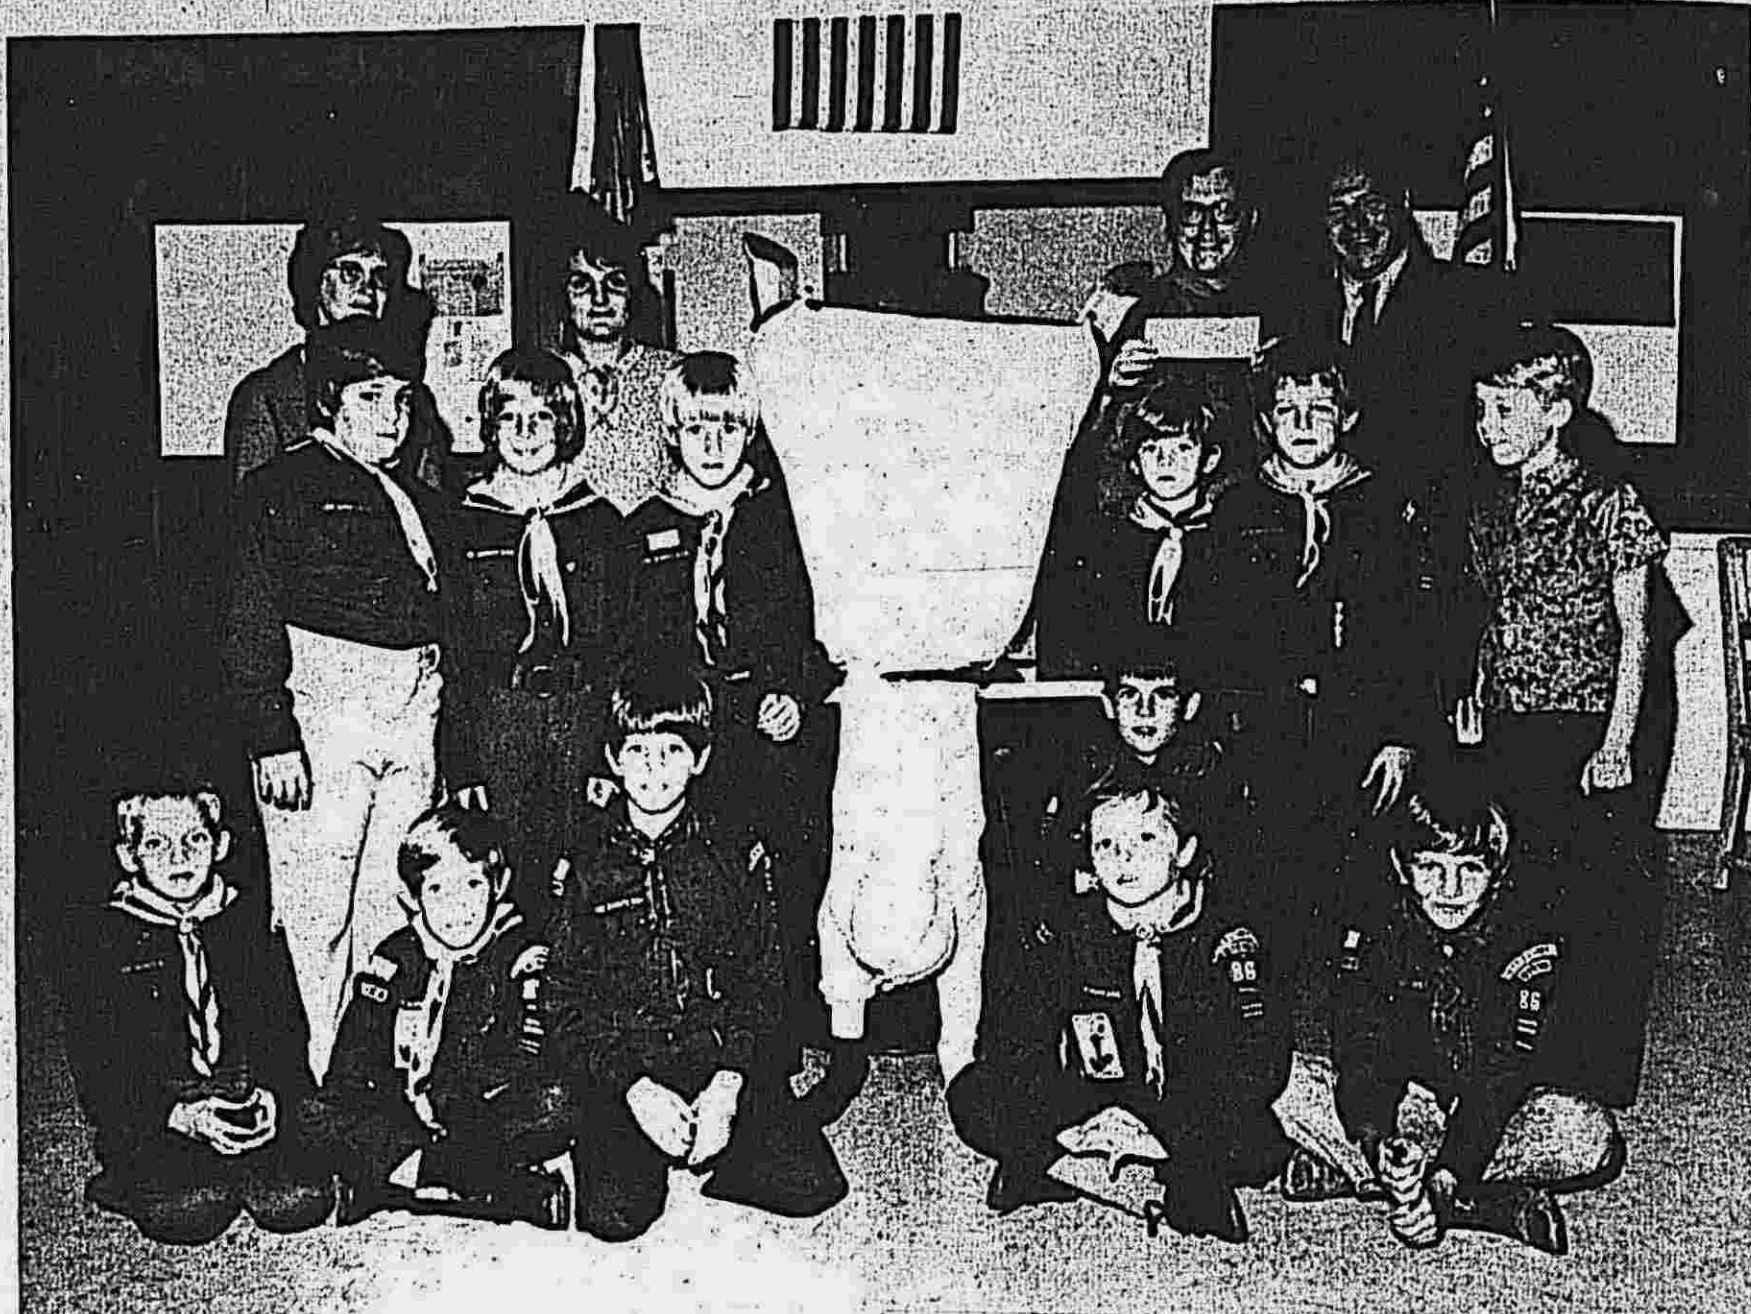

On October 4th at 10:00 a.m. at Paty's Lounge, there will be a "Coffee" for Karl Berning. Here is your chance to get out for a morning of free rolls and coffee and at the same time get acquainted with, and ask questions of our Senator from the 32nd district, General Assembly. With elections near at hand it's our duty to get to know the people who are representing us.

Hear Mary DeStefano is home recuperating from her operation. Take it easy, Mary, and all your strength will come back soon!!

Happy Anniversary to Mr and Mrs. Ben Wagner on the 28th of September, and to Don and Marge Gaa on September 30.

The college kids are just about all on their way for the new school year. Some of the recent students to leave are: Candy Nelson who left to go to Colorado State U., Fort Collins, Colo; Cheri Dalgaard left for Ohio State in Columbus; and Doug Palaske is settled in at Western Univ. at Macomb; Rick Plotz is pledged to Kappa Sigma fraternity at Millikin U. in Decatur; Gregg Pedersen is again at Iowa State U., Ames, Iowa; and Scott Albright is beginning his college career at Midland Lutheran College in Freemont, Neb. Good luck to you all on the best years of your life!!!!

Haven't yeard how the hunters made out that went to New-foundland???

Cub Scout Pack No. 86 of Channel Lake receives a First Place check from the Antioch Chamber of Commerce. First Row (l to r) Richard Rodgers, Robert Rudolph, David Miles, Lee Quirt and Jeff Andre. In the second row is Jim Andre, Mark Armstrong, Kirt Larson, Douglas O'Conner (In costume) Danny Hucker, Tod O'Conner, Danny Purfeerst and Tod Barnes. In the last row are the two Den Mothers, Mrs. Barnes and Mrs. Gerry Andre. On the right is Mr. Peter Zeien, Cub Master, receiving a check from Mr. Hilliard Tobieski, Chamber President.

Cub Scout Pack No. 192 received a Third Place check from Mr. Tobieski for their efforts in the Annual Mid-Nite Madness Parade. The boys pictured are "Denners" representing the various dens in Pack 192. The Cub Master is Richard Dubek and the Committee Chairman is Dennis Horton.

See ya at the PTA meeting tonight - Wednesday, Sept. 27, at the High School. An interesting meeting is planned.

ANNIE Mae

DON'T FOOL WITH MOTHER NATURE CONT.

now that we normally don't get into until the Spring - washed out roads, soft shoulders and deteriorating seal coats. It's the first time in my life that I've ever wished for an early winter! At least in the winter the stuff stays in one place and we can shove it to the side of the road. With flooding you work and work and then you have to do it all over again. Nothing we do is really effective."

What can be done? Nothing, apparently. Flood control agencies are doing all they can with what they have to work with. Most of the dams on the Fox River to the south of the Chain 'O Lakes area are doing everything they were designed to do. "I feel sorry for the guys at (the) McHenry (Dam)." Ring continued, "I'm sure they'd love to open the dam and lower the lake level. But what happens down river?"

The situation north of the Chain appears to be even worse, if that's possible. The dam at

Wilmot is controlling nothing - it isn't even visible any longer.

The problem is not a local one. Throughout the midwest the same conditions prevail. Flooded basements, backed up septic and sewer systems, stalled cars, flooded viaducts, all add up to one big headache.

Why should the situation be worse this year? We've had periods of heavy rain before?

"The bogs and swamps and sloughs which normally protected us from high water have slowly but surely disappeared under development sights, parking lots, industrial plants, highways....." said one village official. "You can't stop progress, but we eventually pay for disrupting normal water runoff areas." Antioch's storm sewers have been able to

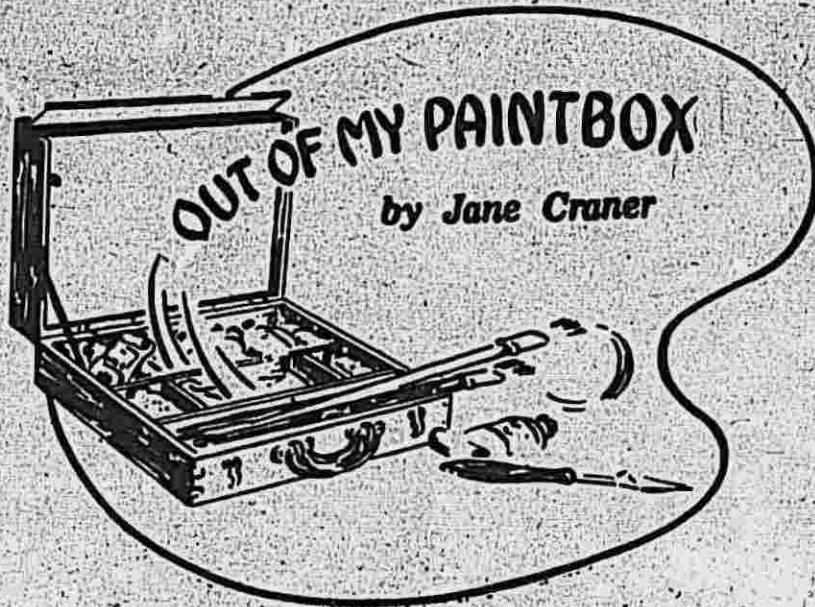

"handle the situation so far, but who knows?"

Maybe there is a solution. All together now - "rain, rain, go away, come again some other day!!"

OIL PAINTING.....Art historians seem to agree that oils were first added as a binder for dry pigments in the 15th century, but only a few of them give credit for this innovation to Jan and Hubert Van Eyke, Flemish painters of that century. In the 500 years since, many fine paintings have deteriorated because artists had a lack of knowledge of how to use the oils correctly. They experimented with all kinds of fatty substances in order to extend the working time of their paints. Today we paint with confidence knowing that the paints we buy are a good quality, able to withstand the elements and time. But we still must follow a few simple rules.

1. Never remove finished oil paintings from their supports. Oil paints become brittle with age and will crack if rolled or folded.

2. Never draw on the panel with anything except charcoal, for fear of destroying the binding quality of the ground. Go over the charcoal lines with thinned oil color, then dust off the charcoal. Spraying with fixative is also wrong, because you destroy the absorbent quality of the ground and in years to come the paint may flake off.

3. Paint on a gesso ground prepared only for oils. The polymer gesso grounds are too absorbent for oils.

4. Follow a procedure of lean to fat layers of paint. The underneath lean layers are paints applied as they come from the tubes or thinned only with turpentine. They contract

and expand less than the fatty over layers which are made up of paints to which more linseed oil has been added, usually in glazing methods. If the reverse was done, the underneath fatty layers would need to expand and contract more than the top lean layers, and cracks would appear. So remember to paint lean to fat.

5. Avoid overuse of linseed oil, as it is one of the main causes of yellowing after effects in paintings. Good quality oil paints have just the right amounts of oils for easy manipulation.

6. Mineral spirits is not recommended by the makers of quality artists oil paints as being a substitute for turpentine. Pure spirits of turpentine is recommended but overuse of it also cuts down on the permanence of the colors.

7. For best results avoid cheap paints. Use the best grade of the name brands, such as: Grumbacher, Permanent Pigments, and Winsor Newton.

8. Be sure to read the labels on paint tubes as many paints contain lead, which can cause lead poisoning if you are careless in handling such paints.

9. Varnishing a finished oil painting is not necessary, but if you do feel it "protects" the painting, do not varnish for at least a year. That will allow the oils to dry. Then use only damar varnish or picture varnish sold in art stores.

Happy Painting

Next Week: OIL PAINTING FOR BEGINNERS

Social Notes

by Del Jahneke

Five members of the Lakeside Rebekah Lodge No. 82 attended the District Three Association of Rebekah Lodges' most successful card party, held in the home of Mrs. Viola Vickery in Mundelein, Sept. 15th. Mrs. Ida Wysoglad, Mrs. Wayne Jones, Mrs. Ralph Fields, Mrs. John Hagen and Mrs. Walter Buchert from Antioch reported that a good time was had by all, and that all six lodges in District Three were represented. Two of these same ladies were present at "Elective Officers' Night", held in the Waukegan Rebekah Lodge, Sept. 22nd - Mrs. Wysoglad and Mrs. Jones, plus Mrs. Clarence Larson and Mrs. Charles Ferris. The next meeting of the Lakeside Rebekah Lodge will be held on Oct. 4th, at 8:00 p.m., at the Antioch American Legion Home.

The Jerry Shatley's and the junior Ed Jahneke's, North Main St., Antioch, took advantage of the fact that the "bow and arrow" deer hunting season opened last week, and spent four days camping at Pigeon Creek, located in the beautiful Black River Falls Forest in western Wis. The two men went hunting every day, but didn't even get a glimpse of the elusive deer. All of them enjoyed the camping, hiking through the woods, already in their autumnal glory of scarlet, gold, wine and brown. They climbed a forestry tower, and a steep, many stone stepped trail to a high cliff overlooking all the splendor below. The two families were also fortunate since they had none of the rain and storms so prevalent in this area, but they did get rain on

american legion auxiliary news

Mrs. Richard Stastny of Mundelein, the newly appointed State VAVS (Veterans' Administration Voluntary Services) Representative at Downey Hospital by the Illinois American Legion Auxiliary and also, the 10th District rehabilitation chairman; announces that there will be a meeting of all unit presidents and their rehabilitation chairmen to be held at the Mundelein American Legion Home, on September 29th at 8:00 p.m.

The purpose of this meeting is to plan the year's schedule of parties, picnics, special events, etc. for the 22 Units, and the 10th District Christmas Dance, the district Easter Gift program and their poppy fabrication project. All such affairs are for the patients at Downey Hospital. Mrs. Philip Strand, Libertyville, district volunteer field service chairman, will be present to tell of this important program. Assisting Mrs. Stastny in telling of the need for volunteers and the many services they can perform at the hospital, will be Mrs. Henry Reinke, Waukegan, State Deputy Downey Hospital Chairman (Mrs. Henry Reinke, Waukegan, State Deputy Downey Hospital Chairman (Mrs. Reinke is a past Antioch Unit president) and some of the hospital authorities.

Every Unit is requested to be represented at this session. Mrs. John L. Horan, Antioch Unit President, plans to attend this rehabilitation planning conference.

The Lake County Past Commanders' Club is holding a dinner dance on September 30th, at the Holiday Inn at Gurnee with cocktails from 6:00 to 7:00 p.m., when dinner will be

served. Dancing will be from 9:00 to midnight. According to Thomas Rizzo, Lake Zurich, President of the Past Commanders' club, all reservations must reach Larry Crone, Lake Forest, by September 27th, deadline date.

Mrs. Richard Stastny, Mundelein, newly appointed state VAVS (Veterans' Administration Voluntary Services) Representative at Downey Hospital by Illinois American Legion Auxiliary.

ATTEND MOOSE EDUCATORS CAMP OUT

Representatives of the Antioch School System attending the annual Mooseheart Educators Camp Out sponsored by the Loyal Order of Moose at Mooseheart Camp Ross near Mt. Morris were: (left to right) Lawrence Rouse, Supt. of Grayslake; Jack Smith; Albert Dittman; Sherwood Dees, Assistant Superintendent of Public Instruction; and Warren Polley, Supt. of Antioch.

BARBARA SPANGLER DIRECTOR OF CRISIS LINE

Mrs. Barbara Spangler of Zion has been named as Director of the Lake County Contact Teleministry Crisis Line established under the auspices of the Lake County Mental Health Society in Libertyville.

CONTACT, a 24 hour help line providing back up and counseling services in the social and mental health fields, is manned by volunteers who have completed 50 hours of training supervised by mental health professionals.

CONTACT which originated 12 years ago as "Life Line" in Australia, was established to meet peoples emotional needs by telephone contact. This concept has since been adopted in Canada, South Africa, Formosa, Japan, Korea and New Zealand as well as 42 cities in the United States. Although christian based, no religious affiliation is required of people seeking help from the line, which will service all of Lake County. Mrs. Spangler, a former Illinois resident before moving to Cherry Hill, New Jersey was director of a contact line in that city from 1970 until 1972. She has also been employed as a psychiatric nurse at Downey.

Isn't it time you got the cobwebs out of your heating system?

Did it ever occur to you that your heating system puts dirt in your house?

You go through with a vacuum and a dust cloth, and in a few days the dirt's all back again. That's what ordinary heating does.

With flameless electric heating, on the other hand, there's no flame to create or pull in dirt from the outside, so that's why electric heat is clean.

And regardless of what type of house you're living in, there's an electric heating system specifically geared to its needs. It might be an electric furnace or ceiling cable or baseboard heat. Your local Commonwealth Edison heating specialist or heating contractor will tell you which is best for your house and more comfortable for you.

So isn't this a good time to get the cobwebs out of your heating system? Electric heating makes all indoors a whole lot nicer and cleaner and fresher.

Commonwealth Edison
concern for your total environment

JOINT INSTALLATION OF ANTIOCH LEGION AND UNIT OFFICERS HELD

The joint installation of officers of the Antioch American Legion and the Auxiliary was held on September 8th, at the Antioch American Legion Home.

Installing officers for the Auxiliary were Mrs. Joseph Horton, the installing officer; Mrs. Lillian Hand as installing chaplain; Mrs. Floyd Horton, the installing sergeant-at-arms; and Mrs. Lester Zitkus, as installing musician. All installing officers are past presidents of the Antioch Unit.

Installed as Unit President for her fifth term was Mrs. John L. Horan. She served her first year as President exactly forty years ago, in 1932. Other officers installed were Mrs. Ray Rathmann, 1st Vice President; Mrs. Samuel Pettigrew, 2nd Vice President; Mrs. Bernard Stadick, Secretary; Mrs. Frank Kennedy, Treasurer; Mrs. Edward Jahneke, Historian; Mrs. Ralph Fields, Chaplain; Mrs. Lester Zitkus, Sergeant-at-arms; and Mrs. John W. Horan as Junior Past President. Since Mrs. Jahneke was unable to be present, Mrs. Bernard DeVries served as her proxy.

Department (state) Historian John L. Horan presented a bouquet of red roses to his wife, Mrs. Horan. Mrs. Horan announced her chairmanships as follows: Americanism, Mrs. Ray Rathmann; Auxiliary Loan, Education and Scholarships, Mrs. Lillian Hand; By-laws and Revisions, Mrs. Frank Kennedy; Children and Youth, Mrs. William Dowden; Civil Defense, Mrs. J. W. Horan; Communications, Mrs. Edward Jahneke; Community Service, Mrs. Myra Randall; Coupons, Mrs. Hand; Finance, Mrs. Joseph Horton, Mrs. J. W. Horan and Mrs. Sam Pettigrew; Foreign Relations, Mrs. B. Stadick; Gold Star, Mrs. Earl Horton; Illini Girls' State, Mrs. Joseph Horton; Junior Activities, Mrs. B. DeVries; Legislative, Mrs. F. Kennedy; Membership, Mrs. R. Rathmann; Music, Mrs. L. Zitkus; National Security, Mrs. S. Pettigrew; Past Presidents' Parley, Mrs. J. W. Horan. The poppy, rehabilitation and veterans craft chairmanships are not filled at the present time.

Mrs. J. W. Horan as retiring president, received another gold gavel for her past president's pin, and a gift of money from her officers and chairmen. She was also presented with her unit publicity press book, and unit history, compiled by Mrs. Jahneke. This year's Unit History won first prize in 10th District this year.

Tenth District Auxiliary officers present were Mrs. Everett Ainsworth, Lake Forest; Mrs. Norman Holt, No. Chicago; and Mrs. Ted Odom, Libertyville.

Tenth District Commander William Franzen of Libertyville and his district corps of officers installed the Antioch Post officers. James Ferrier was installed in his third term as Commander, with Bernard Stadick as Senior Vice Commander; F. A. Swenson as Junior Vice Commander; Edward Frazier, Adjutant; John W. Horan, Finance Officer; John L. Horan, Historian; Bernard DeVries, Chaplain; F. A. Swenson, Service Officer; and Dennis Beattie, as Sergeant-at-arms.

James Ferrier was also installed as Junior Past Commander.

Some 80 legionnaires, Auxiliary members and guests were in attendance from Antioch, Chicago, Fox Lake, Gurnee, Highwood, Lake Forest, Libertyville, No. Chicago and Waukegan.

The Antioch American Legion Auxiliary No. 748 will be honoring their past presidents at their next meeting on October 2nd, at 8:00 p.m., at the American Legion Home. Mrs. J. W. Horan will be chairman of this party meeting.

14th ANNUAL COIN CONVENTION PLANNED

The 14th Annual Convention of the Lake County Coin Club is scheduled to be held at the Sheraton-Waukegan Inn on Sunday, October 1, 1972, according to Club President William Myers.

At this event, which is an annual event, approximately 15 to 20 coin dealers throughout the Midwest area will not only have coins, paper money, tokens, and metals for sale, but will also be available for appraisal and purchase thereof. Extensive exhibits are planned and the entire event is an admission free event open to the general public.

Of current interest and

Barbara Corbin, on the left, owner of Corbin Travel Agency and Jill Heni, manager of the Agency, lift a toast to all travelers during their grand opening last week.

catching the imagination and fancy of most individuals, is the 1972 double-die penny which issued for the price of .01c and which is now currently valued in mint condition at \$100.00 per coin. Thus, an individual who was able to secure a sack of these from the mint, now has for his \$50.00 investment one-half million dollars, a profit which he made in an instant. These coins are still in circulation and being hunted by most coin collectors. The event is scheduled to open at 10:00 in the morning will last through 5:30 p.m.

OAKLAND PTA SPONSORS POT LUCK DINNER

The Oakland Grade School PTA Officers met recently to map out plans and programs for the present school year. Program Chairman, Joy Howes, and her committee have planned some interesting programs.

On September 25th, a coffee hour was held for the teachers and PTA officers after school. After the get acquainted session

an executive board meeting was held.

On Monday, October 2, the second annual PTA Potluck Dinner will be held in the gym. Open House will begin at 7:00, followed by dinner from 7:30 to 8:30 p.m. A business meeting was held following the dinner, then about 9:00 a psychologist from Family Services of Grayslake will speak, and answer any questions.

FALL KICK-OFF MEETING OCTOBER 4th

The Antioch Welcome Wagon Newcomer's Club will hold its monthly meeting, Wed. October 4th at the Methodist Church - 8:00 p.m. This is our fall kick-off meeting for new membership. If you are new to the area or have attended a few meetings, you are welcome to join us. We have a full year of activities planned, starting this month. The October meeting will be a pleasant evening, as we have a full agenda of games, slides and refreshments. Come with a friend, or give us a call and we

will make arrangements to bring you. Call Betty Baker, Coffee Chairman, 395-3650, or Yvonne Dyer, hospitality chairman, 395-5412.

See you there!

The Newcomers' Club will hold a bake sale, Saturday, October 7th at the State Bank of Antioch. Our ladies will have many good things to eat on display. Give yourself a break, don't bake - stop in and buy a homemade treat for the family, Saturday, October 7th.

"BACK TO SCHOOL NITE" AT ACHS

The Antioch High School P.T.A. will present "Back to School Nite" this Wednesday evening at 8 p.m.

The program will include an introduction of teachers, administration and board members. A schedule of 5 minute

classes for parents will allow them to meet the teachers.

A special display by students who attended last summer's conservation workshop will be available for parents.

Refreshments will be served at the conclusion of the evening.

LAST WEEK FOR SEASON TICKETS

The days dwindle down to a precious few--September-October--. And on October 1st the price of season tickets for PM&L's Season 12 go up from \$7.00 to \$8.50.

So save \$1.50 by sending for your tickets now. In fact, theatre-goers will save \$3.50 over the box office price of \$10.50 for all 4 shows. Musicals are \$3.00 and plays are \$2.25. Send your check with your name, address, and phone number to PM&L, Box 23, Antioch, Illinois 60002.

Four big shows are waiting for your viewing pleasure. The Man of La Mancha opens November 4 and then runs November 10, 11, 17, and 18. Plaza Suite is in February, You're a Good Man, Charlie Brown in April, and The Paisley Convertible in June. All

performances are at the PM&L Theatre, 877 Main St., Antioch, Ill. Curtain time is 8:30 p.m.

For reservations for Man of La Mancha or further information call 395-9702.

CARMEL FALL FESTIVAL OFFERS UNIQUE ENTERTAINMENT

Final arrangements for the Carmel High School Fall Festival of Mundelein have been completed by the school faculty, students and the Carmel Parent's Club.

The merrymaking weekend will be held from Thursday, Sept. 28th continuing on through Friday, Sept. 29th, Saturday, Sept. 30th and Sunday, October 1st, from 6:00 to 11:00 p.m. on the school grounds.

Eight amusing rides, includ-

WOMAN'S CLUB OPENING LUNCHEON

Thursday, September 28th is the last day on which members of the Antioch Woman's Club may make reservations for themselves and their guests for the opening luncheon at Caesar's Restaurant on October 2nd.

A most delightful program has been arranged by Mrs. Don Mentone, program chairman. It is a review of various operettas by a talented group: Jo Minds, Louise Tallman and Frank Winkler.

LYONS-RYAN BALLOON IN NEW YORK

It may take eighty days to go around the world in a balloon, but according to Pat Sikorski and Ken Torkelson, Salesmen from Lyons-Ryan Ford Mercury Sales, it only takes three days to Canaseraga, New York. In conjunction with their new car showing, the balloons were air lifted September 15, 1972. In a letter received from the Milton Wheeler Family of

Canaseraga, New York, they report they retrieved the balloons in their small farm meadow, on the morning of September 18th.

MIKE POLLEY WEDS HARVEY GIRL

In a double ring ceremony at St. John The Baptist Catholic Church in Harvey, Illinois, Miss Monica Walencik became the bride of Mr. Warren Michael Polley.

The bride wore an ivory floor length empire long sleeved dress with a train, trimmed with ivory cotton lace woven with pink velvet ribbon. Her elbow length, 4 tier ivory veil fell from a Juliet Cap. She carried an arm bouquet of pink carnations, stefanatus and baby's breath.

Miss Celia Walencik (sister of the bride) was maid of honor and Mr. James Polley (brother of the groom) was best man.

Both young people are graduates of Knox College in Galesburg. They both spent their junior year at the University of Freiburg, Germany.

A reception was held for 120 people at Chuck Cavallinis, Midlothian.

The young couple will make their home in Park Ridge, Illinois.

ELSBURY-DOOLITTLE VOWS

Saturday, September 17, 1972 at 6:30 p.m., Miss Lynn Marie Elsbury became the bride of Mr. Thomas Lauren Doolittle. The ceremony was performed by Rev. L.H. Messersmith of

the Millburn Congregational United Church of Christ.

The bride wore a traditional tiered ruffled lace dress with fitted bodice. Her headpiece was borrowed from a cousin for whom the bride was a flower girl 16 years ago. She carried the handkerchief her mother used at her wedding 25 years ago.

The maid of honor was Darlene Knoblock and David Flood was the best man.

A reception was held following the ceremony at the Gurnee American Legion Home, Gurnee Illinois.

After a honeymoon trip to Disney World in Florida, the young couple will make their home in Antioch.

WALENCIK-POLLEY

JOHNSON-HAMBEL

Patricia JoAnne Johnson, daughter of Mr. & Mrs. Melvin Johnson of Mr. and Mrs. Melvin Johnson of Rte 4 Antioch, Illinois and Raymond Michael Hambel, son of Mr. and Mrs. Raymond Hambel of Oakland Hills, California were united in matrimony at 3 o'clock, Sept. 9th at St. Peters Church. Rev. Francis Johnson officiated at the wedding ceremony.

The bride, who was given in marriage by both her mother and father, wore a victorian style dress of ivory silk peau de soia, with a ruffled V yoke and neckline, full long sleeve with ruffle. The full skirt had a wide ruffle and chapel train which was later bustled. She wore a large ivory picture hat with flowers attached, and an attached veil which fell to the waistline. Her jewelry was a gold locket gift of the groom. She carried a bouquet of multi-colored mums and orange tea roses.

Pamela Johnson, sister of the bride, was maid of honor. Tina Johnson sister in law of the bride, Sheryl Haufcamp, and Judy Dickinson, friends of the bride were bridesmaids. They wore identical gowns of ivory bodices and floor length skirts in apricot. The bodice was trimmed in tiny apricot flowers. They also wore apricot picture hats, with matching trim, waist line length veils, and carried kissing balls of multi colored mums.

Attending the groom was his brother Rick Hambel as best man, Dennis Johnson, brother of the bride and usher and commentator, Daniel and Patrick Hambel, brothers of the groom were ushers along with Patrick Podstawa, friend of both the bride and groom.

After the ceremony a dinner and reception was held for 200 guests at Illinois State Beach Lodge.

The bride is a graduate of Lake County College and has an Associate Degree in Secretarial Science. She is presently employed at Abbott Laboratories as a legal secretary.

The groom is a graduate of Milwaukee School of Engineering and is presently employed with the Austin Company in Des Plaines, Ill.

Out of town guests were from Chicago, Blue Island, Des Plaines, Waukegan, California, Minnesota, Milwaukee and Appleton Wisc., and Benton Harbor Michigan.

The bride's grandfather, Frank Strobl and the groom's grandmother, Mrs. Hambel, were guests of honor.

JEAN IRVING AND ELAINE PALM ATTEND WOMEN BANK OFFICERS CONVENTION

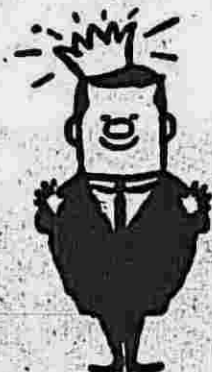

Elaine E. Palm, Cashier at the First National Bank of Antioch along with Jean Irving, Asst. Cashier, were among the prominent women bank officers who were in Chicago for the 50th annual convention of the National Association of Bank-Women. Approximately 1,500 executives have registered at Chicago's Palmer House for the five day Golden Anniversary event.

Nationally-known bankers and distinguished women from several professional fields are being featured in the diversified program of general sessions and in-depth workshops. Sharing the speakers' platform for a session on "The Successful Woman's View of the Career Requisites for Success" are Good Housekeeping's Charlotte Montgomery, former U.S. Ambassador to Denmark, Katharine White, Delaware State Treasurer Emily Womach, and television personality Carme-

lita Pope.

Among the workshops offered are studies in Marketing Research, Personnel, New Business Development, and the Bank's Social Obligations. Presiding Officer for the Convention is National President Ruth D. Harrison of Columbus, Indiana who will turn her gavel over to President elect Barbara Penleton of Kansas City, Mo. at one of the concluding sessions.

NABW was founded fifty years ago in New York City by six women bankers. Observing its Golden Jubilee, it now has a membership of over 10,000 women bank officers coming from all 50 United States and several foreign countries. The organization encourages excellence in banking and works to assist its members to advance in their executive responsibilities and also to encourage qualified young women to enter the banking industry.

Obituaries

MR. WILLIAM L. DUNCAN-82 years old of Lake Villa, Ill., passed away on Saturday September 23, 1972 at his home on Millburn Road. He was born April 13, 1890 in Wark Worth Ontario, Canada and came to the United States in 1919 to work for the Allendale School for Boys at Lake Villa, Ill and has lived in Newport Twp., before moving to Lake Villa Twp. He had owned and operated a sheep farm for many years known as "Pleasant View Stock Farm" where he raised prize sheep. He had been judging sheep at the "Royal Winter Fair" in Toronto, Canada for 16 years. He had judged sheep for the "International Live Stock Show" in Chicago for several years, and for numerous other fairs. He holds membership in Holy Family Episcopal Church at Lake Villa, & "Percy Masonic Lodge No. 161" at Wark Worth, Ontario Canada. He was predeceased in death by his wife Gladys Kienappel Duncan on March 9, 1964, and 1 sister Mrs. Mabel Roblin in July 1939 in Canada.

Survivors are 1 son Gordon Duncan (Lake Villa, Ill.) 2 daughters Mrs. Elizabeth Allen (Wark Worth, Ontario Canada) and Mrs. Mabel (Gordon) Weller (Toronto, Ontario, Canada) 1 nephew William Roblin (Cleveland, Ohio) and 4 grandchildren. Funeral services were held

at 10:30 a.m. on Tuesday at Strang Funeral Home in Antioch. Rev. Vincent Fish of Holy Family Episcopal Church officiated. Interment was in Wark Worth Cemetery at Wark Worth Ontario Canada.

MRS. GERALDINE BREHEN-64 years old of Rhinelander, Wisc. passed away Tuesday, September 19 at St. Marys Hospital, Rhinelander, Wisc. She was born December 30, 1907 in Chicago moving to Antioch in 1953 and was residing in Rhinelander, Wisc. since July of 1971. She married Harry Brehen August 24, 1929 in Crown Point, Indiana. She worked at Regal China Corp for 15 years retiring in July of 1971. Survivors are her husband Harry Brehen, 1 son Harry Brehen, Jr. (Mt. Clemens, Mich.) 2 daughters Mrs. Deloris (Brinson) Perkins (Columbia, S. Carolina) Mrs. Kay (Arthur) Doty (Antioch) 1 brother James Van Dyke (Chicago) and 3 sisters Mrs. Ella (John) Prucha (Chicago) Violet Wirtschoreck (Chicago) and Mrs. Nellie (John) Di Angelo (Chicago) and 11 grandchildren.

Funeral services were held at 1:30 p.m. on Friday at Strang Funeral Home, Antioch, Illinois. The Rev. L.H. Messersmith officiated. Interment was in Hillside Cemetery.

MR. WILLIAM P. CAMPBELL-74 years old of Beach Grove Road near Antioch, Illinois passed away on Sat. September 23rd at Victory Memorial Hospital. He was born May 18, 1898 in Chicago and resided there until moving to Antioch in 1955. He retired in 1957 as a Chicago Park Policeman. He had served in the Marines during WW No. 1. He is a member of Chicago Loyal Order of Moose Lodge No. 3, and the Chicago Policemens Post No 207 of the American Legion. He married Margaret Jeske on December 20, 1921 in Chicago.

Survivors are his wife Margaret - 1 daughter Mrs. Shirley (John) Turney (Indianapolis, Ind.) and 3 grandchildren. He was preceded in death by 1 sister and 3 brothers.

Funeral services were held at Noon Tuesday at the Strang Funeral Home in Antioch. Rev. Harold Nelson of St. Mark Lutheran Church in Lindenhurst officiated. Interment was in Ridgewood Cemetery at DesPlaines, Ill.

LOUIS A. HORTON - 76 of Spring Branch, Texas, passed away on September 20, 1972 in Spring Branch, Texas. Born on September 9, 1896 in Millburn, Illinois he was formerly a resident of Antioch Illinois. He was a veteran of World War 1. Survivors are his wife, Elsie (Panowski) Horton, one son, Charles of Spring Branch, two daughters, Mrs. Barbara Kirk of Manteno, Illinois and Mrs. Karen Kublank of Spring Branch, and 13 grandchildren. Two brothers, Floyd and Joseph Horton of Antioch and one sister, Mrs. Edith Jansen of Racine Wisconsin.

Funeral services were held on September 22nd in New Braunfels, Texas.

Christian Science Churches

In Jesus's parable of the ten virgins in St. Matthew 25, he taught that we all must be prepared for the blessings which are ours if we will just acknowledge and receive them. The truth of this statement is described this week in the Lesson-Sermon entitled "Unreality" at Christian Science church services Sunday.

From Science and Health with Key to the Scriptures by Mary Baker Eddy we read "Human resistance to divine Science weakens in proportion as mortals give up error for Truth and the understanding of being supersedes mere belief."

KUKLINSKI SEEKS TAX RELIEF FOR AGED

C. Casey Kuklinski, of Wildwood is a Democratic candidate for the General Assembly in the 32nd District.

One of his chief aims is the entire elimination of personal property tax. He is also seeking relief for senior citizens, schools, farmers, and small businesses.

Kuklinski said: "I am committed to a politics of openness and honesty, a politics of personal encounter and will represent the people of my district with a deep interest and concern."

Casey is a former Vice Chairman of the Lake County Democratic Central Committee and is one of the original founders of the Homeowners' Organization of Wildwood. He

was presently re-elected and serves as adviser-at-large, to that organization.

Kuklinski has been a resident of Lake County for the past 12 years. He is presently employed by Montgomery Wards as a commission salesman.

BEETHAM CAMPAIGNS FOR 13th CONGRESSIONAL DISTRICT

Stanley W. Beetham, candidate for Representative from the 13th Congressional District, has just finished a busy week of campaigning and will launch a busier one this week.

He will speak before the Waukegan City Club; Zion Exchange Club; women of Elgin Y.W.C.A.; Lake County Bartenders' Union; attend a number of coffees and visit several plant gates.

A campaign dinner to be addressed by U.S. Sen. Harold Hughes of Iowa will be held Friday night at Villa Olivia Country Club in Bartlett. It will be preceded by a press conference, to which the press

and radio representatives of the entire 13th District are invited, followed by cocktails and dinner.

Beetham attended nine coffees last week; addressed the Rosary Altar Society in Algonquin and the Wauconda Jaycees; attended the Mayor Joe Amando golf tournament in Fox Lake and met voters in the shopping center of Antioch.

Sen. Hughes is chairman of the Congressional Committee on Drugs and Alcohol. He will talk about drug abuse and other subjects as they are related to the 13th District at the dinner Friday.

SLAVIN ADVOCATES STORM WATER RETENTION FACILITIES

When questioned recently on his feelings on the subject of flood control, Steve Slavin, Candidate for State Senate in the 32nd District had this to say: "The recent tragic and devastating flooding in Chicago's western suburbs points out once again the need for immediate action by the State to control land use and development. Absent such action, Lake County can anticipate its own Salt Creek within a short time.

Flooding in this area is essentially a function of two factors: the clay sub-soil present throughout the county, and the burgeoning population explosion. As to the former, there is not much we can do. We can, however take action now to ameliorate the effects of population growth which, ac-

cording to the projections of the Northeast Illinois Plan Commission (NIPC) will increase the population of the county by some 20per cent by 1975. (Lake County 1970 population approximately 400,000. Anticipated 1975 population approximately 500,000.)

First, I have previously suggested the enactment of legislation which would assist local governments in their efforts to preserve open space. My proposed legislation would require the owners of vacant land areas of more than 40 acres to give six months advance notice to all surrounding governmental bodies, such as municipalities, park districts, forest preserve districts and drainage districts, of any proposed development. This would give those bodies adequate time in which to decide whether they wished to proceed to acquire the land for public, open space areas. (The Chicago metropolitan area ranks last in public open space per capita of the ten largest metropolitan areas in the nation).

Secondly I advocate a law which would require that all future subdivisions, whether residential, commercial or industrial be required to provide adequate storm water retention facilities as a condition to approval. NIPC supports such legislation and, as a Deerfield Trustee, I have assisted in the adoption of such legislation at the municipal level. Regional action, however is required.

"SEQUOIT HAPPENINGS"

BITS AND PIECES

By: Taffy Engelhardt

Being a freshman is not the easiest thing in the world! Our freshman have undergone some traumatic experiences in their new environment. Anyway, freshman elections for Student Council Representatives and Class Officers were held last week. Thursday was the big day for campaigning and the actual voting. To our surprise, no posters appeared and no campaigning took place, so actually it was merely the day for voting. There was quite a turn out. The results were as follows: **CLASS OFFICERS:** President - Greg Mieuire; Vice President - Jim Grippando; Secretary - Michelle Rogh; Treasurer - Natalia Armstrong. **STUDENT COUNCIL REPRESENTATIVES:** Sherri Engelhardt, and Julie Gutowski; Mike Vaughn and Dave Lagerstrom. Congratulations to our new freshmen leaders.

The Fine Arts Department is getting underway again. For those who don't know much about the choir, there is a Freshmen Girl's Choir, an All-School Choir and Acapella Choir, which is a select group that you must audition for. From Acapella Choir, Swing Choir is chosen. This is a smaller, more select, and mainly a performing choir. Those chosen this year are as follows: Sopranos - Sue Ball, Chris Lukas, Anita Cooper, Finis Armstrong (Alternate: Taffy Engelhardt). Altoes: Carol Wells, Jean Oelerich, Lois Geist, Kandy Shute (Alternate: Georgianne Bury). Tenors: Gayle Manuel, David Oelerich, Donald Barlow, Don Mahar, (Alternate: Mike Jones). Bases: Larry Yopp, Bill Beese, Jim Meyer, Mark Crawford (Alternate: Wayne Jones).

COLLEGE NIGHT AT ACHS

Antioch Community High School will hold its annual College Night for Junior and Senior students and their parents on Tuesday, October 3, 1972, beginning at 7:00 p.m. Representatives from approximately 40 colleges, a cross section of all types, will be present to explain features of their schools to interested persons.

Those planning to attend school arrive a few minutes early so that the program may start promptly. One half of the representatives will be in the student commons and one half in the cafeteria. Programs distributed at the entrance of both locations will identify in which of these two locations a college will be represented.

EXECUTIVE BOARD MEETINGS

The Student Council Meeting this week mainly consisted of the discussion of money making projects. Mr. Schneider, representing a company that sells bulletin boards, gave us a presentation of their line of bulletin boards as a possible money making device. Council has not yet decided positively or negatively.

A dance was held Saturday night, sponsored by the Student Council featuring the Union Time. There was a good turn out.

My apologies to Kathy Toft and Ann Sweaney for leaving their names out of the list of this year's cheerleading squads. Ann Sweaney is a JV wrestling cheerleader and Kathy Toft is a varsity football - basketball cheerleader. Sorry.

Some important dates to remember: September 30, Lake Forest Football Game, There; October 2, Round Lake and Warren Cross Country Meet, There; October 3, Junior-Senior College Night at 7:00 in the cafeteria and commons.

Junior

Last week, another Junior Class Executive Board Meeting was held. This time was used mainly for planning purposes. Many students not on the actual executive board appeared. This is good, but also caused some confusion. Due to this, the officers and sponsor shall have a meeting to design a more formal procedure to keep order in the meetings.

Football Concessions were discussed and people were chosen to work. Different ideas for the Homecoming float were discussed. The five semi-finalists for junior attendant of homecoming court are Laura Kessler, Debbie Orphan, Diane Carole, Mlea Church, and Barb Dodd. The entire class votes next. The football team chooses the male attendant.

Money-making projects and plans for prom were then discussed. The next meeting was scheduled, at which time it is hoped that prom plans will be finalized.

Sophomore

The sophomore class held an executive board meeting last week. Homecoming was the main thing on the agenda. Possible themes and float (Sponsored by Antioch Savings and Loan) were discussed, which are both hush-hush affairs between the classes. Also, a committee was appointed to consider and discuss possible designs for the gym. These suggestions will be brought up at the next meeting.

Money-making projects were discussed. President Mike Perrone reminded the Executive Board of its responsibility to the class and that they should be attending the bi-monthly Monday Rap Forums. The meeting was then adjourned.

G.A.A.

The Girls Athletic Association is an opportunity for all girls who would like to participate in sports activities. The purpose of this organization is to keep the girls interested, help create better sportsmanship, and it is

also a very healthful organization.

Monday and Tuesday of every week are the days designated for team competition. Team captains and teams change from sport to sport.

General meetings are held on Thursday when they are needed.

Every spring, the traditional Mother-Daughter Banquet is held, at which time awards are given to those with the needed amount of points, also to the winning teams and special awards such as the sportsmanship award and the Sally Brown Award. Freshmen shall be initiated at this time.

The Slumber Parties are experiences in themselves! Ask any girl in G.A.A. and they will gladly relay some of them to you. The Freshmen Slumber Party will be held on December 9, the Sophomore Slumber Party on January 20, and the Junior-Senior Slumber Party will be on February 3.

This year's G.A.A. Officers are as follows: President: Sandi Stewart, Vice President: Robin Ellis, Sports Manager: Lois Geist, Secretaries: Barb Dodd, Caura Kessler, All Star Captain is Carol Wells and treasurer: Marcia Kroepin.

Antioch's G.A.A. is one of the most successful and most populated around this area. G.A.A. is not just a club. It is an experience always remembered.

Sherri Engelhardt

STUDY HALLS SOME STUDY - SOME PLAY

Ever since the second semester of the 1970-71 school year, no one except the freshmen has had a real study hall. Last year, students were given free time in the commons area. Some used this time to prepare assignments, and others just messed around, but at least it was there and students who needed it could use it. Now it's the fall of 1972 and there are no study halls of any kind to be found in Antioch High School and you see more people with more books and more homework than ever before.

Teachers say you have first or sixth hour free but having a free hour at the beginning or ending of the school day just isn't the same as getting a long break between classes to relieve the boredom of classroom routine.

Shayne Schroeder

PEP CLUB

Pep Club is designed to promote school spirit and to back our teams.

The first Pep Club meeting was held on Tuesday, September 19. From now on, however, the weekly meetings will be held on Thursdays. In this first meeting, we brought out many ideas, which we plan to carry through. Some of them are (1) making posters to distribute throughout the school, (2) making confetti for games, (3) letting off red and white balloons at games and (4) having spectator buses for

games out of town, and others.

We shall try to give our players confidence by standing behind them. We will show enthusiasm, hoping for a victory. And when we lose, we will show good sportsmanship and not lose our school spirit.

The two sponsors for Pep Club are Miss Pickett, and Mrs. Estep. At one of our next meetings we will be choosing students for president, vice president, secretary, and treasurer.

We would like to encourage membership in Pep Club as its turnout has been small at the present. Pep Club is one way to show your interest in the school. Let's keep Pep Club alive!

Sherri Engelhardt

MY HIGH SCHOOL

This year has seen a lot of changes in our school. I find myself put in an insurmountable situation. I do not know how to get out of it. The people here are the same, but without the extra-curricular events, where you can really be friends and work together, I find that these same people are a bore.

Too many people find our school the same way. Student after student admits that all he's done for the day is trudge from class to class in hopes of it ending sooner, but to no avail.

There is no one to blame for this occurrence. It is not our fault, it is not the school's fault, it's not Richard Nixon's fault, no, not even Spiro Agnew's fault. There is no scapegoat in that direction.

The only way out is through change. Either priority must be given to building minds or building character. At the moment we are trying to do both and losing rapidly on both counts. Wake up, America, and see what's going on.

Norbert

A RIDE INTO NOSTALGIA

After boarding a two-car Northshore train and riding a mile and a half long trip, I

wonder just how much I missed by being born twenty years too late. Union, Illinois, is the home of a steam and electric railroad museum. In its heyday, when going for an afternoon ride to the country was a privilege, it must have been exciting.

As you can see, I'm a complete railroad buff. I would personally recommend that everyone visit Union, Illinois. Not just for the sake of going on an ancient bit of transportation, but for experiencing the joy and excitement your own parents experienced as kids. After reaching the Northshore or the steam train, you can see what made this country great - the railroad.

Bob Blanchette

"ARTS OF MEXICO" EXHIBITION AT MUSEUM

"The Arts of Mexico," a month-long exhibition and theater program, will open Sunday, September 17, at the Museum of Science and Industry in Chicago.

Included in the exhibit are 250 pieces of folk art, 52 clay reproduction of ancient pottery, 17 tableaux by contemporary artists, 10 photomurals, nine cultural and dramatic films, two modern sculptures, and two plastic-stone reproductions of ancient sculptures.

Free daily programs will be presented by Mexican musicians and singers every weekday between Sept. 18 and 29. The programs will be at 11 a.m. and 1 p.m. in the museum's auditorium.

CALLING ALL BOYS FROM 3rd TO 5th GRADE

All young men in grades 3 to 5 can get an introduction to Cub Scouting September 28th at 7:45 p.m. if they bring their mom and dad down to the neighborhood school.

Under a council-wide program there will be a short session at several schools outlining the Cub Scout program. Leaders will be on hand to sign up boys at \$1 and adults

at \$2.50.

School Night is being held, in the Antioch area, at Antioch Grade School, Oakland Grade School, channel Lake School and Grass Lake School.

Dr. W.C. Petty, former superintendent of Lake County Schools, is District School Night chairman. Dr. James Flood, county schools superintendent, is Council School Night chairman.

NEW HOME RECYCLING CENTER DEBUTS IN COMPOSTING CLINIC

A complete, new home recycling center will be introduced September 23 and 30, in a free 'Composting Clinic' at Lake-Cook Farm and Garden Store, 381 Center St., Grays-Lake, Ill., and 3469 Sheridan Rd., Zion, Ill.

Specialists will be on hand each day at 10:00 a.m. and 11:30 a.m. to demonstrate the latest techniques, equipment and supplies for fast, efficient composting.

Composting (organic, natural decomposition) is nature's way of reducing leaves, grass clippings and other garden refuse to plant-supporting humus.

Development of a new line of

compost-oriented lawn and garden products greatly expedites composting and relieves much of the pressure placed upon the environment by burning, bagging and dumping of waste vegetation. Our Farm and Garden stores have a complete line of all organic products for composting and organic gardening.

REPRESENTATIVE PIERCE NAMED TO BUDGETARY COMMISSION

State Representative Daniel M. Pierce (D-32nd District) has been appointed to the Illinois Economic and Fiscal Commission, successor to the powerful Illinois Budgetary Commission. The appointment was announced by House Speaker W. Robert Blair (R-Park Forest) and was made on the recommendation of House Minority Leader Clyde L. Choate (D-Anna).

The 1972 legislative session changed the name of the Budgetary Commission to the Illinois Economic and Fiscal Commission and expanded its duties as a service organization in fiscal matters for the legislature. Chairman of the Commission is Senator William Harris (R-Pontiac) with Representative Tobias Barry (D-Ladd) serving as Vice-Chairman.

Representative Pierce announced that the first special project to be undertaken by the Commission is the study of the financing of education in Illinois in an effort to assist the legislature in creating a new state aid formula that will satisfy recent federal court decisions and the requirements of the Illinois constitution that financing public education should be primarily a state function.

The Commission is also charged with the duty of reviewing and reporting to the legislature the current fiscal situation of the state on a regular basis so as to eliminate the conflicting claims of the Bureau of the Budget, the Governor's office and the State Treasurer as to the financial condition of the State.

OAKLAND PTA EXTENDS A HAND

Pictured above are members of the Oakland PTA Board of Directors and members of the Oakland Teaching Staff. Standing to the left is Mrs. Gail Heath, President of the PTA. The general purpose of the meeting was to try and work with the Oakland teachers and staff to see if the parents could be of any help. A number of ideas were discussed between parents and teachers such as help in the classroom, in the playground. Also the possibility of the PTA buying some needed items for the school or financing some field trips. According to Mrs. Heath, the PTA Board felt that since the defeat of the last referendum, the PTA could be of help, however they needed the advice of the teaching staff so they could put their efforts forth in the right direction.

THE '73 FORDS ARE HERE.

At 60 mph a '73 Ford LTD rode quieter than an airborne glider.
Quiet is the sound of a well-made car. And the new LTD is well made in every sense of the word. That's why it's so quiet. Outside it has all-new styling. And inside you'll enjoy luxury, comfort and room—with power front disc brakes, power steering and automatic transmission as standard equipment.

THE QUIET 1973 FORD LTD BROUGHAM (shown with optional Deluxe Bumper Group, Convenience Group, deluxe wheel covers, front cornering lamps and whitewall tires).

A '73 Torino rode so smooth, a high wire artist kept balance on a road of 2x4's.
Smooth riding, strong and quiet—the solid mid-size car. You'll appreciate how the new Torino's refined suspension helps to cushion bumps, absorb road vibrations and reduce body sway. You feel solidly in control while you ride in comfort and luxury.

THE SOLID 1973 FORD TORINO BROUGHAM (shown with optional front bumper guards, deluxe wheel covers and whitewall tires).

'73 Pinto: When you get back to basics, you get back to Ford.

When you get back to basics, you get back to Ford: the new Pinto. Every '73 Pinto has rack-and-pinion steering. A solid welded body, electrocoated to fight corrosion. 4-speed transmission—lubed for life. All in all, everything we've learned in seventy years of car making—all the basics—we build into every Pinto Wagon, Runabout and Sedan. That's why it's become America's top selling economy car.

THE 1973 PINTO WAGON (shown with Squire Option, luggage rack, Deluxe Bumper Group and whitewall tires).

There are 39 new models to choose from.

Every 1973 Ford, Thunderbird, Torino, Mustang, Maverick and Pinto comes equipped with new energy-absorbing bumpers and steel guard rails in all side doors. Steel-belted radial ply tires are available on every model, too.

CADET WILLIAM S. ROHDE
U. S. Air Force Academy, Colo. -- Cadet William S. Rohde, son of Mr. and Mrs. Elmer W. Rohde, Rt. 3, Lake Villa, Ill., is one of more than 940 cadets who have entered their sophomore year at the U. S. Air Force Academy.

During his freshman year at the academy, Cadet Rohde was honored by being named to the Dean's List one semester for his outstanding academic achievement.

This past summer, the cadet and other members of the class of 1975 completed an intensive three-week course in water and combat survival and introductory prisoner-of-war training.

In addition, he participated in a three-week program at Forbes AFB, Kan., in which he performed duty with the enlisted men to observe their role in accomplishing the Air Force mission. The cadet also shared the airmen dormitory and other facilities as part of the special orientation.

Cadet Rohde will be commissioned a second lieutenant and receive a B. S. degree upon graduation from the academy in June 1975.

He is a 1971 graduate of Grayslake Community high School where he was a member of the National Honor Society.

KEN STERBENZ ON COE ROSTER

A total of 18 Illinois players, exactly one-quarter of the squad, will be on the Coe College football roster Saturday, September 23rd when the Kohawks open their 1972 Midwest Conference season against St. Olaf in Northfield, Minn.

Ken will be in the fullback position.

SUSAN DOBSLAF AT ILLINOIS WESLEYAN

Susan Jean Dobslaf, daughter of Mr. and Mrs. Adolph Dobslaf of 53 Prospect Drive, Lake Villa, was one of eight girls who pledged Alpha Omicron Pi Sorority at Illinois Wesleyan University last week.

Pledging followed a week of informal get-acquainted parties which began Friday, September 1.

Fall semester classes began Thursday, September 7.

Miss Dobslaf is a freshman business administration major at IWU. She is a 1972 graduate of Antioch High School.

NAVY PETTY OFFICER THIRD CLASS MICHAEL D. MEYERS

Navy Petty Officer Third Class Michael D. Meyers, husband of the former Miss Linda M. Flores of Route 1, Antioch, Illinois was promoted to his present rank and completed the basic Machinist Mate segment of nuclear power

training at Great Lakes.

He will be assigned to a short training period aboard ship and then to Basic Nuclear Power School at Mare Island, California.

He is a 1971 graduate of Hickman High School, Columbia, Mo.

DONNA KESSLER - DAVID KOPPA ENROLL AT MAC MURRAY COLLEGE

Miss Donna Lynn Kessler and David C. Koppa of Antioch have enrolled at MacMurray College in Jacksonville Illinois for the 1972-73 academic term which began September 4.

Miss Kessler, daughter of Mr. and Mrs. H. Richard Kessler of Route 4, is a 1972 graduate of Antioch Community High School and plans to major in Special Education and Spanish at MacMurray.

Koppa, son of Mr. and Mrs.

Harold Koppa of Route 3, is a 1972 graduate of Antioch Community High School also.

MacMurray, founded in 1846, is a four-year liberal arts college with an enrollment of 950 men and women. The college offers programs in 34 fields of study leading to Bachelor of Arts, Bachelor of Music and Bachelor of Science degrees.

DEUSTER PROPOSES MASS TRANSIT SYSTEM

A mass transit system to serve Lake, McHenry, Kane, Cook, DuPage and Will counties was proposed for the platform for the Illinois Republican Party by Donald E. Deuster, Mundelein, Republican nominee for state representative in the 32nd District.

"The impending bankruptcy of the Evanston Bus Company dramatizes the urgent need for action," Deuster said. "While details in managing and financing the single agency remain, I believe the Republican Party should take the initiative and endorse the concept."

To finance secondary and feeder road systems, Deuster recommended consideration of the toll highway concept. "With the scarcity of money, there is equity in having those who use

facilities pay for them."

Deuster also pushed for a study of benefits from having the state of Illinois manage O'Hare International airport. "When lack of high speed ground access from Chicago has long been a transportation tragedy, it is an anomaly that O'Hare is controlled by the city of Chicago! Similarly unfortunate has been poor access to O'Hare from Chicago suburbs and surrounding counties."

The GOP platform committee met this week (September 21) AT THE LaSalle Hotel in Chicago. Deuster, a former official of the U.S. Department of Transportation, was invited to contribute to the deliberations by Victor L. Smith, State Republican chairman.

What was once open area under the Grass Lake Bridge has now become a floating Peat Bog. The floating bogs have broken away from their beds during the past week because of the high water and floated south becoming lodged in and around the bridge.

The Pacific Ocean is almost twice as big as the Atlantic Ocean.

MARINE PFC. JAMES L. JUSTUS

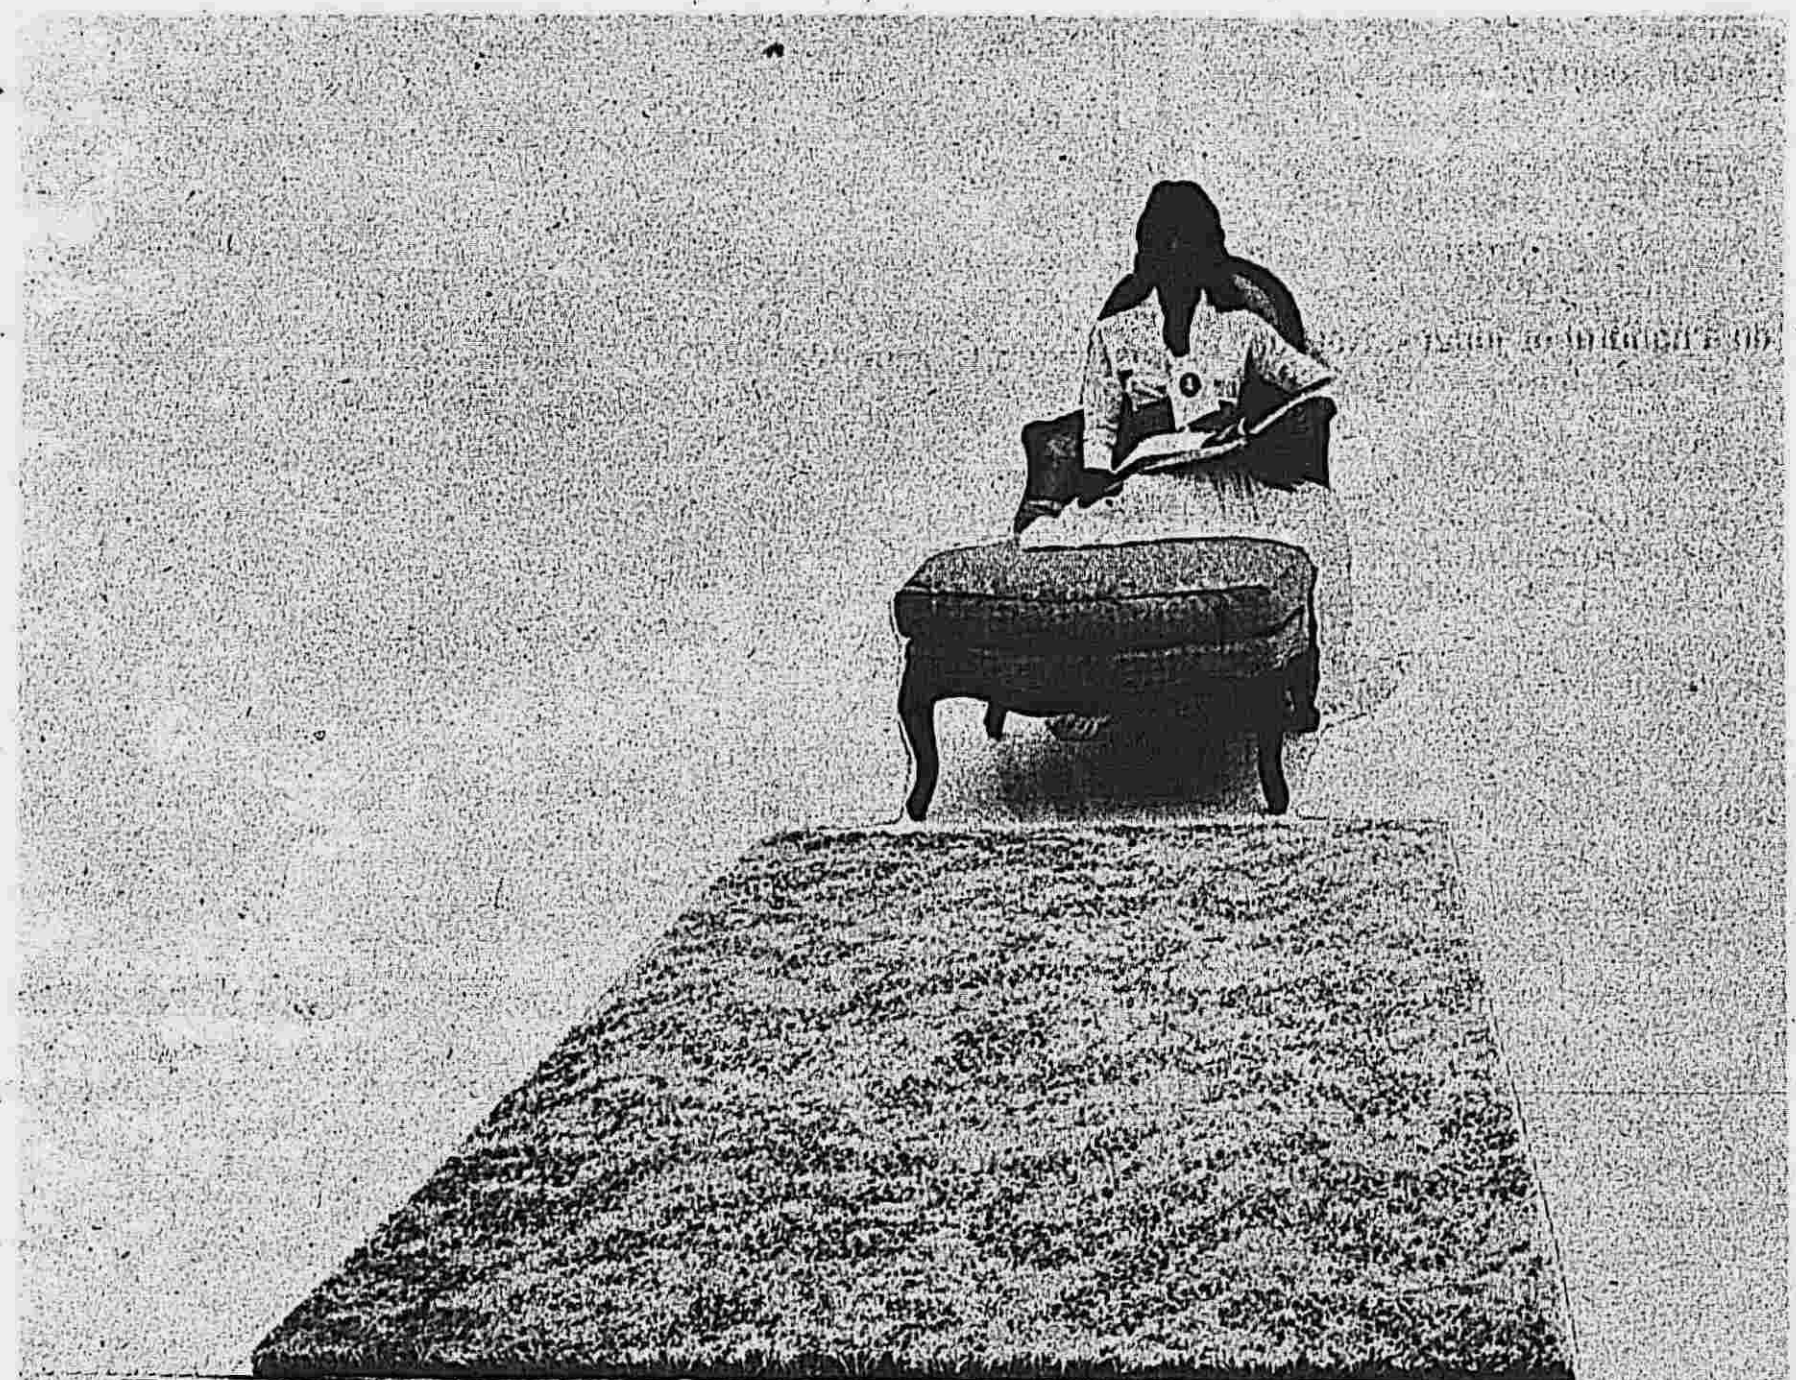

Marine Pfc. James L. Justus, son of Mr. and Mrs. Alva J. Justus of route 2, Antioch, Ill., participated in the massive flood relief operation "Saklolo" credited with saving countless lives through thousands of

rescues, deliveries of food and medicines and medical assistance missions in the worst Philippine natural disaster in more than 25 years.

He is a member of the 33rd Marine Amphibious Unit, 9th Marine Amphibious Brigade, homebased on Okinawa.

MARINE PVT. PAUL LASCOLA

Marine Pvt. Paul Lascola, son of Mr. and Mrs. Anthony Lascola of 342 Hazelwood Ave., Antioch Illinois has reported for duty at the Marine corps Base, Camp Pendleton, Calif.

With a Stern Eye

The Great Ballot hassle is rearing its ugly head again. No sooner did we get that sensible decision from the State's Attorney which said we could vote for EVERYTHING on one ballot card (as provided in Section 24A-6 of the Election Code) - no sooner did that come through than we received contrary instructions to the effect that No, we had to use a separate green ballot for Judicial Retention (as provided in Section 16-6.1).

Depression has taken over the County Clerk's Office. We had all but promised those who asked, that we would never, NEVER go back to paper ballots. All propositions would be on the machine from now on, and the voter would not have to fuss around with separate ballots.

Very humiliating. Apparently when two pieces of legislation directly contradict one another - as they do in this case - one has to abide by the one of most recent date. So Lake County is stuck with an additional ballot this time, just to say yea or nay on a handful of judges. Not that their retention isn't significant; it's just that one could say yea or nay as easily on an IBM card in the voting machine. And that would save all kinds of money on ballot printing (165,000 ballots) and all kinds of time for the Election Judges who will now have to count those paper ballots in the precinct before turning in their supplies. Maddening!

And the biggest and juiciest hassle is yet to come:

Until this year, Illinois Election Law has only permitted one ballot format. The party titles were listed at the top of each ballot page and the candidates for that party were listed under their own heading. This made a 'columnar' ballot - each party's candidates listed in a column under the party title. When there were two parties fielding a slate of candidates - or three - or even four, this did not make a great problem. Four columns fit snugly on a Vote-O-Matic ballot

page, but they do fit. There was of course, the hazard of directing arrows which theoretically guided the voter to his desired punch spot - and many found them more confusing than clarifying - but Lake County voters had learned to live with that confusion. In November 1972 however, we may have five parties on the ballot.

So this year there will be a change. The Legislature has finally deferred to the pressure applied by those of us who use the electronic voting devices, and for the first time we will be employing a format known as the 'group-style' ballot. Even allowing for the fact that our voters have become accustomed to the flying arrows and columns, I believe the new format will be far clearer.

Instead of party columns, the candidates will be listed under the name of the office for which they are running. For instance:

For President of the United States:	
Democratic	Bob Green
Republican	John Doe
Socialist Labor	Geo. Smith

The only problem at this writing (and no doubt there will be other and more terrible ones) is that we have been instructed by the Attorney General not to proceed with the printing of the ballots, pending adjudication of a lawsuit which asks that the Communist and the Socialist Worker parties be added to the ballot. They were ruled off in the first place because they refused to sign the loyalty oath. As a result we wait. We wait on the courts to let us know we may proceed to printing the ballots. Understand that the finished ballot was to be ready for mailing to servicemen who wish to vote absentee on September 23rd. My ulcer has begun to grumble.

The only problem - and it may turn out to be considerable - presented by the Group-style

GATTI WINS HIS 8th FEATURE

It was shirt-sleeve weather in September as J.P. Gatti, Jr., of Chicago raced to his 8th feature race victory of the year in the late model sportsman class at the Waukegan Speedway. Racing continues two more Saturday nights.

Diane Smith of Gurnee won the powder puff crown as she bested a field of 14 gals in the eight-lap event. Smith passed both Marilyn Burton of Waukegan and B.J. Warrens of Gages Lake on the outside for the win in the final half-lap.

Next Saturday night some of these ladies will be back in the spotlight, this time when two girls teams square off in the final STOCK CAR FOOTBALL game of the year. A demolition derby is scheduled for Saturday night September 30 as the season closes.

The feature race only had three leaders as fastest timer Gatti maneuvered his Camaro quickly around the oil-slick track to front spot. Gatti gained the lead in the 5th lap and won despite two late restarts.

Abel Avila of Mundelein was in front one lap before Ed Smith of Gurnee moved in front. Both dropped out late finishing 17th

ballot, is settling the question of which party's candidate is named first. Most authorities (and every candidate for whatever office) hold firmly to the conviction that being No. 1 on the ballot is worth more than rubies. They go a step further and say that very many voters are motivated exclusively by ballot order.

We are approaching the front lines. Not quite six weeks to election. The rumble of cannon and the whistle of shells grows audible....

and 13th respectively.

Last Saturday's winner George Garrett of Zion bashed the wall in the 9th lap after tangling with several cars. He recovered to take 6th. Joe Francisco of Island Lake finished second with Don Ellgass of Ingleside in third. Jim Couch of Grayslake and Joe Horn of Zion rounded out the top five.

Francisco and Couch tangled in the 18th lap bringing out the red flag and moving these drivers to the back of the pack. The red flag also flew in the 23rd

lap when truck champion George Dukas of Zion, running second, lost a wheel. This saved the day for Couch who had hit the wall a lap sooner, but that was erased on the restart.

The third heat for the sportsman came to a quick halt in the third lap when leaders Art Brewer of round Lake and ukas collided with four other cars close behind piling-up right in front of the stands. On the restart Brewer blew his engine calling for another restart before Dukas took the Checkered. Gatti was second in this race to miss a clean sweep.

FINAL RACE SATURDAY

Following 36 consecutive race dates completed by Promoter Gordon Sill at the Waukegan Speedway, the track fell victim to the elements Saturday night. The final program of the year is scheduled next Saturday night at 8:00 p.m.

Fog and mist came during the chilly afternoon Saturday prompting Sill to cancel the races. The last previous cancellation came on May 14 by Sill, although two programs were called by the IRA modified group which had leased the track.

The record of 36 consecutive dates eclipses the old mark of 29 in a row set in 1966 when the track was still clay.

Sill announced that next Saturday's program will be topped by a 25 lap late model sportsman feature and a demolition derby ... the winner being the last car running. The girls who were slated to play Stock Car Football will have to wait another year for their game.

Next Saturday's races will determine the final order of the

top 15 sportsmen drivers who will be receiving cash bonuses and trophies at the annual Speedway Outing and Dance being held October 1.

Just four points separate second and third place drivers Chuck Bostick and Ted Richter and from the sixth spot on the down the positions still can change. George Dukas has already won the 1972 driving title.

The outing and dance will be held Sunday afternoon and evening (October 1) at Furlan's Dug-Out near Trevor Wisconsin and will include several hours of free beer. Tickets will be available at the door.

WAUKEGAN SPEEDWAY OFFICIAL POINT STANDINGS

George Dukas No. 64 - 1,525 points; 15 feature wins
2. Chuck Bostick No. 4 - 1,068; 5 feature wins
3. Ted Richter No. 17 - 1,064 points; 5 feature wins
4. Joe Horn No. 14 - 920 points; 1 feature win
Ed Smith No. 11 - 797 points.

LIONS CANDY DAY RESEARCH

Illinois Lions who will be out collecting funds on Candy Day for the Blind, Friday, October 6, have more than just help for the blind as a target.

Goal of the one day drive is a record \$850,000. But that is only the financial aspect of it.

What that \$850,000 means is not only help for the blind, but positive programs to prevent blindness. According to the Illinois Society for the Prevention of Blindness every 20 minutes at least one American goes blind.

"What we want to do is help cut that figure," said A.G. "And" Marcheschi, of Niles, state Candy Day chairman. "We want the Society to cut the toll through its programs."

With Candy Day funds from the Lions the Society is also attempting to reduce the toll of more than 1,000 eye injuries that occur every eight hour working day.

And to safeguard vision by early detection of glaucoma. This disease leads all other causes of preventable blindness. The Society has estimated Illinois has approximately 100,000 persons suffering from undetected glaucoma.

"Lions are proud of their glaucoma mobile testing unit provided by Candy Day funds and manned by Society personnel," said Marcheschi, who is

also State Chairman of the Lions of Illinois Blind Activities Committee.

"This year the Lions mobile unit tested its 100,000 visitor. And it has visited 550 communities in 28 months of operation. More importantly it has uncovered 628 cases of glaucoma and 639 cases of possible glaucoma," he said.

Candy Day also helps support research by ophthalmologists at the Illinois eye and Ear Infirmary of the University of Illinois hospital.

The Illinois Eye Bank is located at the infirmary and supplies eye tissue for corneal transplants. Lions clubs support the Bank financially and with eye pledges. Last year there were 234 corneal transplants to restore sight at the infirmary.

To safeguard vision the Society for the Prevention of Blindness fosters programs of industrial and home safety, visual screening for pre-schoolers, and vision testing for school age children. Often Lions clubs help in the projects.

"Candy Day translates into happier, more useful lives for the blind and visually handicapped and for those who will remain untouched by the handicap," said William Howell, of McHenry, Chairman of the Lions of Illinois Council of Governors.

LOCAL COMMITTEE NAMED FOR NATIONAL JAMBOREE

Members of the 1973 National Scout Jamboree Committee for the Northeast Ill. Council, Boy Scouts of America, were announced today by Council President, Richard F. Kennedy of Waukegan.

Scheduled for August, 1973, the National Scout Jamboree will be held at two sites - Farragut State Park, Idaho, and Moraine State Park, Penn. and troops from this area may attend either location. There will be two council-organized groups to Idaho and one to Penn.

Joseph A. Berol, a life-long resident of Wilmette, has been named Jamboree Chairman, with John Mack of Evanston and Dr. Hugh Vincent of Zion as Committee members. Berol has been active in Scouting as the Troop 9 Committee Chairman in Wilmette, and has attended 5 National and World Jamborees since 1960. He is also holder of the highest local Council award, the Silver Beaver.

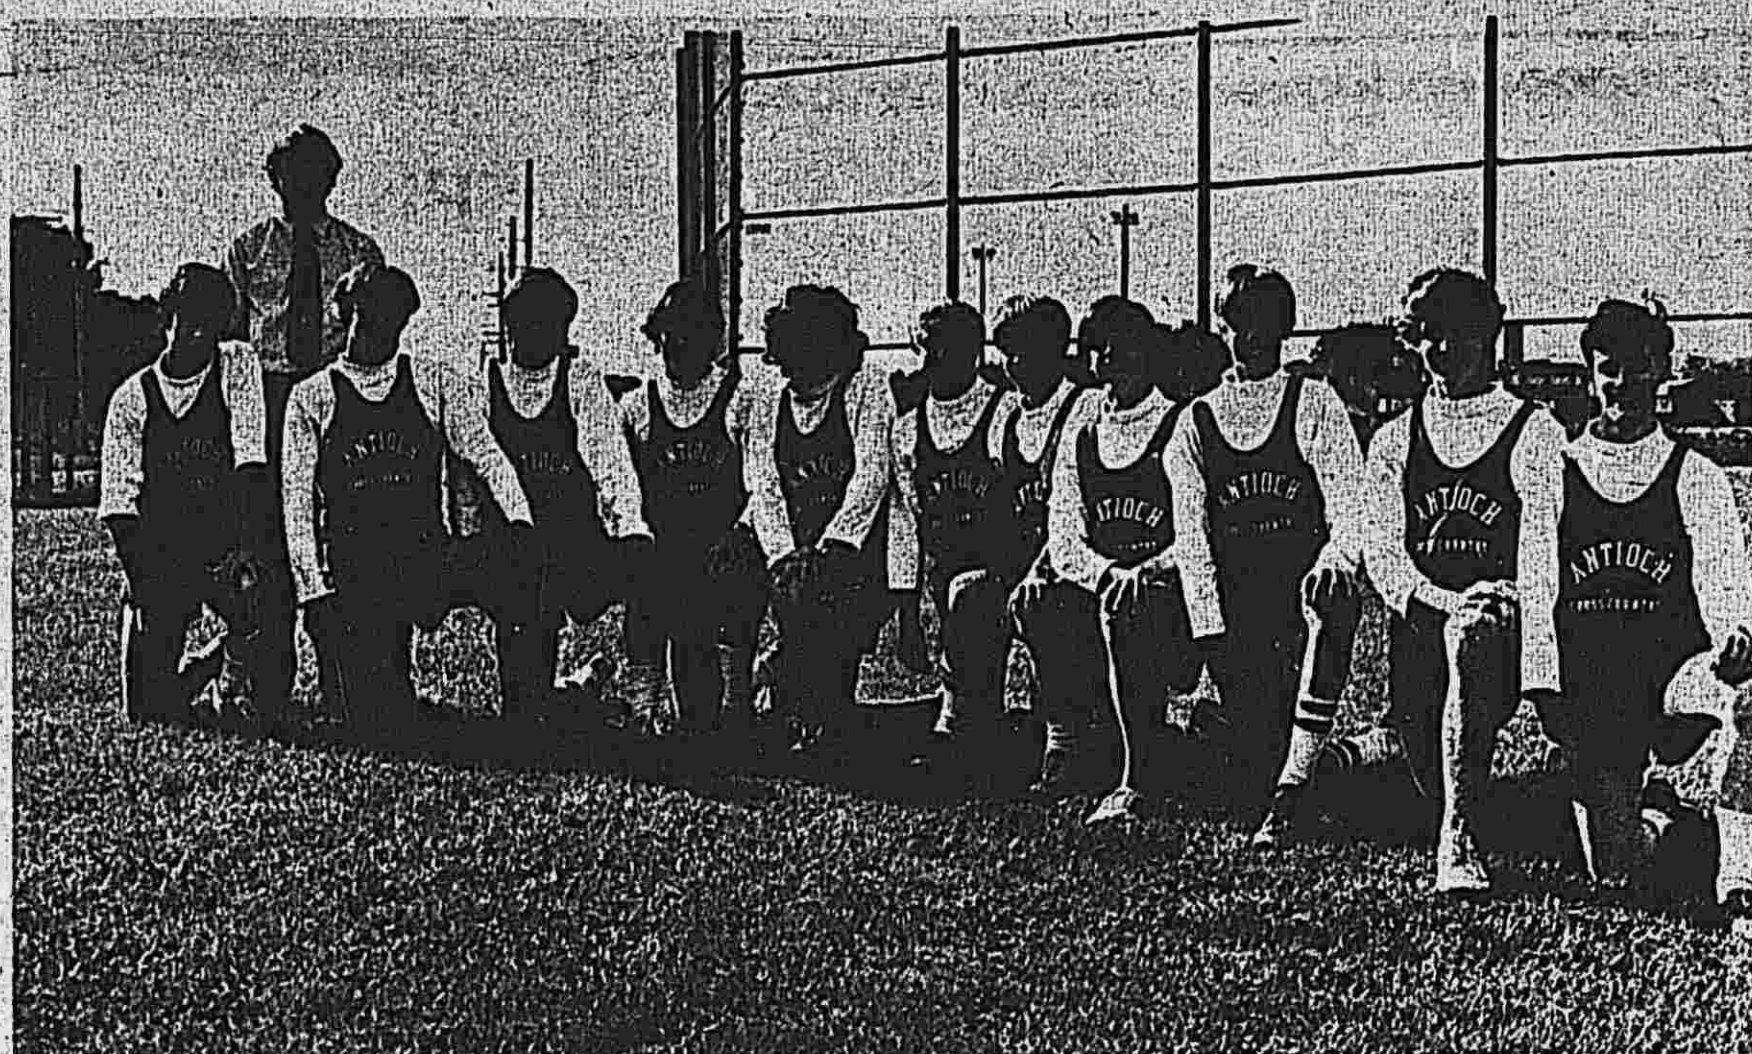

Berol announced that every

registered Scout will be eligible to attend a Jamboree either in a regular chartered troop or in one of the three troops made up through the Northeast Ill. Council.

"The Boy Scouts of America wants to make scouting's attractions available to all boys", Berol said, "so this means that 11 and 12 year olds will be able to attend the National Jamboree".

In accepting the chairmanship of the Jamboree Committee, Berol pointed out that National Jamborees are not merely icing on the cake of Scouting, but to tens of thousands of Scouts a Jamboree is the high point of boyhood. "They are an impressive, tangible fulfillment of the ideal of brotherhood and an opportunity to demonstrate the values of the Scouting program", he said.

The Northeast Illinois Council is a member of 14 local Community Chests and Funds within the Council area, from Evanston to the Wisconsin border.

The 1972 Antioch High School Cross Country Teams. (l to r) Robert Taubitz, Coach Mr. Kasubski (standing) Bill Beese, Tim O'Neill, Ed Weltz, Jim January, Mike Harland, George Pierce, Greg Nordstrom, Bob Dubek, Jon Balin and Ron Coat. Not Pictured are Bob Dodd, Don Thompson and Steve Statimer.

VARSITY CROSS COUNTRY BEATS GRANT GRANT'S SOPHOMORES BEAT ANTIOCH 17 - 38

Antioch's Cross Country team ran against Grant on September 20. The Antioch Sequoits came in first with Harland at 17:14, second was January with a 17:15, third was O'Neill at 17:47 and Pierce ran fourth with a 17:51. Antioch's next man came in tenth with a time of 19:39.

Most of the Antioch Sequoits

improved their best times. They all ran a good race. The final score was Antioch 20 and Grant 35.

Grant's team took over first by Barrett at 18:18; third went to Spooner with 18:40; fourth was Tobias at 18:52; seventh

Bye at 19:46. Grant's team points then totaled 17.

Antioch came in with fifth by Nordstrom at 19:13, sixth was Dubek at 19:15 eighth Bodin with 19:59, ninth was Taubitz at 21:05 and tenth was Cook with a 21:07. Antioch's team total was 38. All the boys improved their times and ran a hard race.

PUNT PASS & KICK

REGISTRATION DEADLINE NEAR

Chicago's football-minded youngsters are having a ball punting, passing and kicking - and they're getting a colorful sticker to boot.

The sticker, a red-white-and-blue football shaped decal, is available at Lyons and Ryan Ford Mercury dealer where youngsters aged eight through thirteen, can register for the Punt, Pass and Kick competition.

Deadline for registration is September 29th.

The dealer-level PP & K competition begins September 30. The national finalists who make it through six levels of contests will represent the NFL's American Conference and the National Football Conference at the Pro Bowl game in Dallas on January 21. Finalists, their parents and sponsoring Ford dealers will be guests of Ford Division.

BLANCHETTE'S

TV TOPICS

by: Wayne Blanchette

NO SERVICING SHORT CUTS

While a customer was watching the servicing of his Color TV set, he remarked:

"I guess you don't need a screwdriver to service anymore."

Really, it requires specialized testing gear to do a thorough job. An important one is a degaussing coil that is used to obtain color purity. Next comes an expensive tester that adjusts the vertical and horizontal lines and the alignment of the three color guns in the picture tube. There are other testers, too. However, you still need the old fashioned screwdriver to remove the back of the set.

Proper adjustments with good equipment assures not only good color reception but the longest life expectancy from the tubes. We give you this service at BLANCHETTE RADIO AND TV. Phone 395-6400 and let us show you what we mean.

RIFLES SUCCUMB TO SPIRITED MADISON TEAM

The spirited Madison Mustangs came to the Lake County Rifles with the desire to give them their first defeat of the year and Madison succeeded 27 to 14 Saturday.

The game had been billed as the game of the year in the Central States Football League and the game lived up to its advanced promotion.

Madison played aggressive and near perfect football against a stubborn Lake County squad suffering from key injuries and a number of mistakes Madison converted into touchdowns.

Early in the game it looked like another route by the Rifles as they went 70 yards for a touchdown the second time they got the ball.

In the second quarter Madison scored 20 points, nearly equaling all of the points scored against the Rifles all season.

It all began on the second play of the period when it appeared that another Rifles goal line stand would succeed. Toward the end of the drive a penalty made it first and five yards to

go on the 11 yard line. Three plays gained only two yards and on fourth down quarterback Terry Murawski found Luther Palmer free on the left side of the line and passed to him for a score followed by Dewey Stendahl's extra point to tie the game.

Later in the quarter the Rifles again were on the march when a penalty stopped them and Lake County punted out to their own 41 yard line. Then backs Al Schmidt and John Smith with powerful running and superb blocking moved downfield with Schmidt taking the ball six yards through left tackle to score for a 14 to 7 Madison lead.

On the next kick off Lake County started another drive but Jurewicz fumbled on his own 30 yard line and Louis Cooper, a defensive end, picked up the ball and ran it to the 19 yard line where Boyd moved through three blockers to hit him, saving a touchdown.

Schmidt ran to the 14 yard line and then Smith ran a twisting 14 yard run over right tackle to score. Jon Hittman blocked the extra point.

In the third period it looked like the Rifles would come back. They held Madison and scored the first time they had the ball moving 85 yards on the runing of Boyd and a 10 yard pass from Dobbs to Jimmie Brooks.

Early in the final period Madison scored again on a 56 yard pass play from quarterback Jerry Hackbart to Albert Hannah in which he beat defender Mel Easely. Easely, who in the previous week was named as the outstanding defensive player in the game, this time briefly stopped running back as the pass was thrown, perhaps thinking the pass would be short, but he was wrong and this was enough to spring Hannah loose.

The Rifles travel to Delavan for a game this coming Saturday and then on October 7 will play a home game against the Rockford Rams, the defending champions, at Carmel Field in Mundelein.

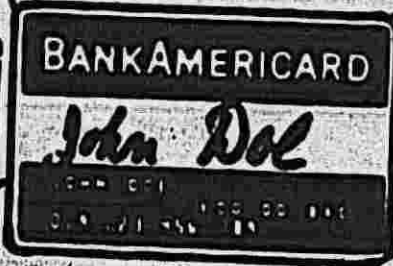

Lake County now has a record of 5 wins and 1 defeat and Madison is 4 and 2. The defeat ended an eight game winning streak this year, including three exhibition games and is the first defeat in 14 consecutive home games, a streak extending back into the 1970 football season.

SEQUOITS DROP CONFERENCE OPENER

No. 33, Tom Pfaehler does some fine broken field running during one of his 21 carries for 83 yards in last Saturday's Game with Grant. (Staff Photo)

In dropping their league opener to the Bulldogs of Grant 18 to 0, the Sequoits exhibited a number of glaring weaknesses both offensively and defensively which they must overcome if they are to come out of this year's league play with a respectable win-loss record.

In the first quarter, Antioch and Grant held each other scoreless, but the Bulldogs controlled the ball for the greater part of the period. In the second quarter the Bulldogs found what proved to be the Sequoits greatest weakness - a lack of "heads up" backfield defense - and capitalized on it. With 10:54 remaining on the clock for the second period the Grant QB threw for the 1st of two TD passes. The Bulldog receiver led the defence by at least two steps and took the ball easily into the end zone. With four minutes left in the same quarter the Bulldog QB hit one of his backs on the goal line for a second TD. Again a Sequoit defender was out of position and had let his man get behind him.

The half ended with the Bulldogs holding a 12-0 lead, and in almost complete control of the offensive game.

The second half opened with the Sequoits finally coming to life and giving their fans something to cheer about. The offensive play of QB Fred Popp and the hard running of HB Tom Pfaehler gave the Sequoit team,

for a short time, the shot in the arm which made it appear that they could give Grant more than they could handle. The Sequoits put on a sustained drive from their own 41 yard line to the Grant 2 - but it was not to be. The Bulldogs gathered their defenses and stopped what was to be the only goal line threat the Sequoits were able to mount.

During the latter part of the third period and for most of the fourth the defense turned in a much improved game holding Grant scoreless. With 1:23 left on the clock Fred Popp intercepted a Bulldog pass but was unable to move the ball. The last miscue for the Sequoits came with only 17 seconds left in the game. On a fourth down punting situation they let a

Bulldog Back slip through and go all the way for Grant's third TD.

The following statistics fairly well tell the story:

STATISTICS

	Antioch	Grant
first downs	5	-
Yards rushing	65	135
yards passing	6	126
passes attempted	7	-
passes completed	1	-
passes intercepted	2	-
Total yards	71	261
Yards penalized	42	56

NEXT WEEK the Sequoits take on the Lake Forest Scouts at Lake Forest. According to Head Coach, Roy Nelson, "Their going to be tough".

SOPHOMORES CLIP GRANT 6 - 0

Antioch's sophomore football team got its first taste of success last Saturday when they defeated the Grant Bulldogs 6-0 on the home field. The win evens the team's record at 1-1 for the infant season while in conference play the Sequoits are tied for first.

Antioch's lone score came early in the second quarter when Chuck Smith blocked a Grant punt in the Antioch end zone and Larry Smith fell on the loose ball for the touchdown. Chuck had earlier blocked a punt and recovered the ball on the Grant 34 yard line. The Sequoits drove to the one yard line before a fumble by Larry Smith had turned the ball over. After three running plays Grant tried to punt and this is where the TD was scored. To roundout an excellent day's play, Chuck Smith later partially blocked a third punt and also led the home team with eight tackles and four assists. Like Smith, Terry Lear was again a defensive star. Lear intercepted two passes to cut short Bulldog drives and backed up Smith on tackles. Also tough on defense were Dave Kesner and John Walker.

Offensively Antioch showed improvement over last week's game. Larry Smith was the top ground gainer with 34 yards in nine carries. Walker, at the quarterback spot, completed

two passes in four attempts for 49 yards. Jeff Zersen was on the receiving end both times.

Coach Norm Hahn expressed pleasure over the performance of his team. He felt definite improvement had been made and indicated the team's morale is high. He stated flatly that his team would be ready for Lake Forest this Saturday.

HARLAND WINS A RIBBON

Saturday, September 23rd Antioch's Cross Country team went to the Grant Invitational at Crystal Lake. Mike Harland won a ribbon by taking 14th in the sophomore race with a time of 17:59. Other individuals in the sophomore race were George Pierce 25th and Jim January 36th. There were 66 runners in this race.

For the freshman race there were 84 runners. Greg Nordstrom placed 38th, Bob Dubek 39th, Jon Bodine 58th and Ron Cook 70th.

In the junior race there were 76 runners. Tim O'Neill placed 20th, Bill Beese 61, bob Taubitz 66, and Ed Weitz 71.

No. 43 Dave Pieronen and No. 66 Glen Amundsen, put the stopper to a Grant ball carrier during the Grant Game last Saturday.

LAKERS FINISH SECOND IN TOP & BOTTOM TOURNAMENT

Lakers - Dundee

The Lakers after winning their first 3 games in the Top and Bottom Tournament suffered their first loss in the double elimination affair.

The Lakers scored 2 in the 2nd on back to back singles by Fox and Wickersheim and an infield out advanced runners to 2nd and 3rd and came across on RBI single by Simek and catcher Karen Land.

Lakers scored 1 in the 4th without a hit and ended their scoring with 1 in the 7th. Murphy had a hit and scored on an error.

A very poor defense counted for most of Dundee's runs with the Lakers committing errors at crucial times.

Lakers 4 - Dundee 9

Lakers - K-Decorating

Dropping into the losers bracket with 1 defeat apiece, K-Decorating jumped off to a 1-0 lead in the 1st on 2 hits, but were shut out the rest of the way on 6 hits, they had 3 hits in the 6th but failed to score with one out and the bases loaded.

In the 3rd, Murphy, Case and Simek led off with singles, Murphy coming across on a play at 2nd where Simek was thrown out. Case came across on a single by Bell.

In the 6th the Lakers got 6 on 8 hits. The Lakers had 6 hits in a row before anybody was retired and had scored all 6 runs.

This win set up a confrontation with the only undefeated team of the tournament.

Lakers have to win two for championship - one loss for second.

Lakers-8 - K-Decorating-1

Lakers - Dundee

Dundee scored 2 runs in first on 3 hits and an error. One in the 3rd on 2 hits and an error.

The Lakers had runners on base in every inning but the 5th. Couldn't capitalize until the 6th.

Doolittle led off with a walk, went to third on a single by Gee and came across on a single by Fox. Gee was thrown out at 3rd - Fox made it to 3rd on a F.C. and scored when Stull got a single.

Lakers are looking forward to next season.

Lakers 2 - Dundee 3
